

DISCUSS CD PLANS for area. In preparation for participation in the nationwide alert April 17, Civil Defense officials in the area are busy working out details. Here, left to right, are Anthony Dina, CD director at Mokena; Frank McGinty, chief

of police at Palos Park, William C. Lilly, CD director at Palos Park and Paul Voss, police chairman of the police committee of the Orland Park village board. (Marvin Smith photo)

Orland Park School Commended

Personnel from the state department of education that recently inspected the Orland Park public grade school system have filed their report, giving the school full recognition status.

Four officials spent a day visiting classes and inspecting all phases of the school program.

A letter from the state board praising many features of the system, was read at the meeting of the Orland school board. A number of suggestions were also made and one of them, the employment of a school nurse, has been carried out.

Mrs. Louise Kelsey, a registered nurse, has been employed as school nurse and began her duties this week. She and Mrs. Merrill Cooper, who also is a registered nurse, have

been active in guiding the health program at the school thru the PTA, for the past two years.

Now the board is in a position to employ a nurse full time and the post was given to Mrs. Kelsey. The board also used the occasion to thank Mrs. Cooper and Mrs. Kelsey and the PTA for their work in the past in this field.

The accrediting group stated that the sequence of the Orland program which extends thru Carl Sandburg high school is a commendable one for an elementary school district.

It also spoke highly of the working relationship between the board and the superintendent, Norbert Jerling. Consistent revision of written policies, regular meetings and a prepared agenda by the superintendent have helped to maintain this relationship.

The group also commended the district's participation in the Southwest Cook County Council for special education, this type of planning is endorsed by the state and is felt to be highly desirable.

The Orland board was also complimented on its policy of employing only teachers with college and university degrees.

Praise also was given the experimental reading program adopted at the Orland school this year, as well as the regular program of teaching by the school staff.

The board was commended on its new addition and the general housekeeping of the school plant.

The board and superintendent were gratified by the report.

Frankfort to Hold Sewer Bond Referendum May 2

At a meeting of the Frankfort village board Monday night, May 2 was set as the date for a referendum on \$140,000 of general obligation bonds.

An ordinance authorizing such an issue to be applied on the cost of a proposed sanitary sewer system, which includes a sewage treatment plant, was also adopted by the board.

Bids on the bonds were received by the board and the apparent three low bids are being considered. The three lowest bidding groups were asked to submit contracts covering their bids at the meeting of the village council to be held Monday night, April 13.

Representatives from a dozen of the 30 bond houses invited to bid by Village Attorney A. H. Krusemark, submitted figures. In addition to these invitations the village advertised the letting in a financial publication. As usual in such cases various firms joined together in the bidding. Five such groups submitted bids.

The bids covered a proposed revenue bond issue of \$300,000 and the \$140,000 in G. O. bonds as a package deal. Since the bonds would not be issued until next September the bidders figures were submitted with an escalator clause governed by the Dow-Jones bond averages.

If the Dow-Jones averages show higher interest rates when the bonds are sold than the amount bid, the higher figure shall prevail. If the interest rate is lower in the fall the village will profit.

The bids are listed below under the name of the firm submitting the figures. Those joining in on the bids are listed in a parentheses.

Firm	Interest rate	G. O. Revenue
Benjamin Lewis & Co.	4.50	4.822
(Norgard, Showers & Murray, H. C. Spear & Son)		
McDougall &		

Condon, Inc. 4.221 4.983
Benjamin & Lang 4.30 4.98

A group made up of Chaner Securities, Mullaney, Wells & Co. and Morrissey & Co. bid 4.23 on the generals and 5.34% on the revenues. A group made up of Harry J. Wilson & Co., which firm purchased the Mokena sewer bonds, White Phillips and Quale & Co., bid 4.35 on the G. O.'s and 5.08 on the revenues.

Submission of the contracts is scheduled for 7 o'clock next Monday night. The board has a meeting with representatives of various Frankfort organizations and groups at 8 o'clock for the purpose of discussing the sewer program further.

The village engineer is scheduled to submit a new rate schedule at the meeting Monday night along lines recommended by the group.

Three bids submitted to the board Monday night on channel excavation of a drainage ditch near the match factory. The portion to be worked on extends from south of Pacific street to Oregon street and is 2,200 feet long. Mulford Engineers of Chicago Heights are in charge. Blaine Saxton, Mokena, submitted a bid of \$2,700; Batson Excavating, of Frankfort \$4,275 and Schabel Crane Service, of Hammond, \$4,400. The bids will be studied and the contract awarded later.

N. Lenox Board Studies Move For Annexation

Proposed annexation of a 760 lot subdivision to the west and south of New Lenox presents many problems which the village board is now studying.

Patrick Warren, owner of the land, has turned the developing of the subdivision over to Floyd Cooper, of Orland Park, and Paul E. Pickle of CMO Builders. Cooper has a couple of subdivisions now under construction, as has Pickle and the two of them are working together on some enterprises.

The proposed New Lenox development will be made up of prefabs, assembled in a factory owned by the developers. The Patrick Warren Construction Co., which has been doing business in Chicago and Cook county for many years, will erect the homes.

There will be a variety of homes to choose from, the developers say, including tri-levels, and ranch types, with or without basements. Some homes will be of brick veneer and all are scheduled to have three bedrooms.

The developers say they will install water and sanitary sewer mains, a sewage treatment plant, storm sewers, blacktop streets with concrete curb and gutter and sidewalks.

In return they ask the village to annex the tract, and furnish street lights and street signs. The developers also asked that the village furnish building permits but did not clarify whether they expected to get them free or that was their way of being assured the permits would be forthcoming.

The developers offer to sell the sewage treatment plant to the village for operation and maintenance. The village is toying with the idea of acquiring the plant if it can be worked in to fit future plans.

At Orland Park the developers of a housing project had planned to give a sewage treatment plant to the village but has been spared this by the action of the Chicago sanitary district in deciding to build a treatment plant there.

When subdividers walk away from a project they are thru, it was pointed out, so that continued operation of a water or sewer system must be provided for either thru a municipality or sanitary district or the formation of a private utility firm. The village of New Lenox lacks a public water and sewer system.

The Illinois Municipal Water Co., of Lisle, owns a well and mains that serve 188 users at New Lenox. 76 in the village and 112 outside. Cooper and Pickle said this company will furnish water to the subdivision and pay them \$100 to \$125 for each house hooked up to its lines.

They added that the water company would also like to acquire the sewage treatment plant so it would be in a position to furnish both sewers and water service. The water company now gets a minimum rate of \$7.25 a month. The rate was set by the Illinois commerce commission after users volunteered to pay that amount.

The developers said that if the water company takes over the sewer system too it will pay them approximately \$150 for each connection.

It was pointed out that the developers may be expected to (Continued to page 2)

William Kollman, Former Mayor of Orland Park, Dies

Funeral services for William Kollman, 85, who died April 4, in the home of his son, Martin, of Orland Park, were held April 7, at the Schmaedeke Funeral home to Christ Lutheran church. The Rev. A. Lach officiated.

Mr. Kollman had been ill of pneumonia several days before his death.

He was born June 3, 1873, in Lowden, Iowa. Besides his son Martin, he is survived by a daughter, Lillian Jaffke of Batavia, a sister, Lena Sievers of Chicago, a brother, Herman of Clarksville, Iowa, seven grandchildren and eight great-grandchildren.

Mr. Kollman had resided in Orland Park for 41 years. He was a member of Christ Lutheran church. In 1928 he served as a trustee on the Orland Park village board and later eight years as mayor of the village.

His first wife, Mary, nee Blass, died in 1943. His second wife, Dora, nee Martin, died March 1959.

He came to Orland Township in 1918 from Iowa, living on a farm for eight years before moving into the village.

St. Joseph Hosp. Fund Campaign Opens Sunday

This week end will see the St. Joseph hospital building fund drive in full swing in the area.

At New Lenox, approximately 100 men turned out for a dinner meeting Monday night to get final instructions before beginning their canvass. The dinner, incidentally, was prepared by Ted Bogdan, one of the operators of the Farm Shop in Joliet, and chairman of the drive in New Lenox.

Goal for the workers in New Lenox township is \$15,000. Advance gifts indicate the goal will be achieved, it was announced. Solicitation of pledges will begin Sunday. Pledges are payable over a three year period.

In return for their support of the hospital campaign the people of the community will have the facilities of a new \$8 million hospital at their call.

The Joliet area, it is generally agreed, is in need of more hospital space.

Last night the leaders of Mokena and St. Mary's parish had a dinner meeting at St. Mary's social center for last minute instructions in carrying on the hospital campaign there.

Principal speaker at the Mokena dinner was Paul W. Kempe, superintendent of Silver Cross hospital. Officials of Silver Cross hospital have been urging support of the St. Joseph hospital drive.

Voters Will Fill School Posts Saturday

School elections will be held Saturday, April 11, in all districts through out the area. In those where directors are chosen caucuses and elections will be held in the afternoon. In the districts that have 7-man boards the polls will open at 12 noon and close at 7 p. m.

There are no contests in the (Continued to page 2)

PLAN EDUCATIONAL EXPERIMENT at Lincoln-Way high school. Dr. Herbert A. Thelen (left) and his associate, Dr. Edward H. Gilbert (right) are conferring here with the two Lincoln-Way teachers who will have charge of the test groups, Mrs. Theresa Barnes, and Jonas Lashmet. (L-W photo)

U. of C. to Use Lincoln-Way High For Improving Student Grouping

The Lincoln-Way Community high school of New Lenox is inaugurating a new method of grouping the incoming freshmen which should increase the learning of each student. The University of Chicago, School of Improvement, will be working with Lincoln-Way in this new advance.

Tuesday morning, Dr. Edward H. Gilbert, co-director of the School of Improvement of Chicago university, and Dr. Herbert A. Thelen, director of the Teacher-Learning Laboratory at the University of Chicago, met with the Lincoln-Way administration and teachers to discuss the initial steps for the program.

This program suggests that the old method of grouping for better learning by I. Q. is not enough. "Ability is not the only factor which determines the students learning. Actually, there are many others," Dr. Thelen suggested during the interview with Lincoln-Way officials. Earl H. Dickson, assistant principal at Lincoln-Way, summed up the program as "grouping for optimum learning." Thelen also stated that the preliminary steps to this new effort in education have been tested in eleven schools to date.

Mrs. Theresa Barnes and Jonas Lashmet will be the Lincoln-Way faculty members involved in the working out of this experimental project. Mrs. Barnes teaches English and foreign languages. Mr. Lashmet teaches social studies, physical education, and is foot ball and baseball coach.

A considerable amount of testing and detail work will begin very soon. Everything is expected to be ready by the time school opens next fall.

Just last week the Ford Foundation gave to the education department of the University of Chicago a grant of two and one half million dollars to be used in this type of educational improvement.

Tires, Equipment Taken in Burglary At Gas Station

Nick's Standard Oil Station, located on 80th ave., Lincoln Estates, was burglarized some time Sunday night.

Taken were an entire shipment of spark plugs, power tools, tires, and an adding machine. The phone was also ripped from the wall and taken with the other articles.

Incumbents Win in Town Elections

Incumbents were returned to office in the town elections of New Lenox and Frankfort townships on Tuesday of this week.

There was but one office to be filled in Frankfort township—highway commissioner. There were two candidates for the post, Walter Yunker, who had been appointed to fill out the unexpired term of his father, the late Henry Yunker, and Walter Welsch, recently retired head of the Welsch Lumber Co. Both men are residents of Mokena.

Yunker was elected by a plurality of 426. Total vote in the township was 843. There were 20 spoiled ballots.

At New Lenox John E. Francis, who is just completing his first elective term in office, had been appointed first to fill out the unexpired term of his cousin, the late Fred Francis—was elected supervisor over Albert C. Bettenhausen, of Lincolnwood, by a plurality of 544.

Willard Hafka, unopposed on the ballot, was re-elected high

Lincoln-Way Girl to Attend School Abroad

Katherine Gersich, of Lincolnwood, a 16 year old junior at Lincoln-Way high school will study abroad this summer.

She has been accepted by the American Field Service to participate in the foreign student exchange summer program.

Where Katherine will live and go to school has not been decided yet—at least not as far as she knows. Supt. A. Hunter Chapman, of Lincoln-Way, said that Katherine will be notified of the particulars directly within a few weeks so

Katherine Gersich can proceed with her plans.

Miss Gersich is a "B" student and a member of the high school National Honor Society.

Her selection as a participant in the summer exchange program is the first time that a Lincoln-Way student has had such a distinction.

Ellen Jensen, who has been attending Lincoln-Way the current school year, is the first foreign student to come to the New Lenox school under the exchange program. Miss Jensen is from Denmark and will be returning in June.

Lincoln-Way is one of only 43 Illinois high schools qualified under the scholarship program of the American Field Service for exchange.

Miss Gersich is the daughter of Mr. and Mrs. John Gersich.

Teen Tones to Furnish Music For PTA Dance

As a means of raising funds to support its various activities, the Mokena Parent-Teacher association, is sponsoring a dance April 18, to be held in the school gymnasium.

The Teen Tones will furnish the music for the evening. Rock and roll will be enjoyed from 8 to 10 p.m., followed by the Teen Tones furnishing music for those enjoying the fox trot, waltz, etc. Rock and roll music will then move upstairs and be furnished by top recording stars on records. Tickets are \$1 per person and 75 cents for school children. The public is invited.

Tickets are being sent to all parents having children in the schools. The PTA seeks support in this last fund-raising event of the year.

Anyone unable to attend the dance, but wishing to purchase tickets, may send the money to the PTA treasurer, Mrs. Charles Burkhardt, Mokena. Tickets will also be sold at the door.

Lincoln-Way Players

Will Give Performance April 19

The Lincoln-Way Community Players, a little theater group organized in 1958, will produce "Goodbye My Fancy" at the Lincoln-Way high school auditorium on Saturday April 18 at 8 p.m. and Sunday April 19 at 2:30 p.m.

Mrs. Lois Loebe is directing this production. Mrs. Loren Schleeter of Manhattan, secretary of the Lincoln-Way Players has announced, and a cast of 20 has been assembled.

Heading the cast, in the role of Agatha Reid, is Mrs. Jane Sullivan of New Lenox; her husband, John Sullivan, plays the male lead, the college president. Mrs. Edna Clark of Mokena will play the role of

Agatha's school girl chum, and Stuart Morrison of New Lenox will play Clark Griswold.

Agatha's efficient secretary will be played by Betty Morrison of New Lenox, and Lew Loebe, also of New Lenox, will be Nat Cole, the "Life" photographer. Paul Thomas, a Lincoln-Way teacher, will play the part of Professor Dingley, and Mrs. Vera Chapman will play Miss Birdshaw, a flighty school teacher.

Other roles will be handled by Mr. and Mrs. Jay Bissell of Lincoln Estates, Martha Jo Doyle of Mokena, Joann Saxon of Lincolnwood and Judy Hurst of New Lenox.

Hard at work on set design

and building are Vern New-some and Ted Hurst of New Lenox. Mrs. Kenneth Sher-wood and Mrs. Leo Marcoux of Mokena are in charge of tickets. Marion Keer of New Lenox is in charge of properties; Alice Niedringhaus and Mrs. Robert Wheeler of Lincoln Estates are handling costumes, while Mrs. Sherwood and Mary Zemeske will work on makeup. Mrs. Zemeske of Mokena, is also cast photographer.

The ways and means committee of the Lincoln-Way high school's parent-teacher group has agreed to handle ticket sales and will receive the proceeds from the play.

In Good Spot

Expects Mokena to Draw Industry

Mokena is currently in the most favored spot between Chicago and Joliet to attract light industry. This pronouncement was made at the village board meeting Tuesday night by E. T. Smith, industrial agent of the Rock Island railroad.

The statement was made after Mr. Smith learned that the water and sewer mains could be extended to serve industrial property.

On a land use map now being prepared by a firm of professional planners most of the land extending east from the village limits to U. S. 45 is recommended for industrial sites. This land has easy access to the Rock Island.

In stating that Mokena was in a favored position to get light industry, the rail official pointed out that New Lenox is without a sewer and water and that Tinley Park is also without sewers and the land marked for industrial use there is priced too high to be attractive.

Relative to industrial loca-

tion, William Weber, who resides outside the village and has been one of the leaders in a move to combat planned use of land within a mile and a half radius of the village limits, presented a petition to the Mokena board. The petition, purporting to carry 192 signatures, would restrict industrial zoning to spot zoning. The board advised Weber to take his petition to the plan commission.

One of the purposes of zoning areas for industrial use, the planners say, is to assure prospective users that they will be free of encroachment by residential developments.

Four families on the west side of Wolf road and just outside the village, may annex their properties to the village as the only means of getting sewer connections. When householders were being signed up to satisfy the bond houses that enough people would use the system to make it profitable, these persons were solicited, they said, and each family paid in a \$10 deposit.

It was after work was begun on the sewer that they learned they could not get service because they were outside the village, just outside but still outside.

A request for a building permit for a Sinclair service station at the northeast corner of Front street and Wolf road was held up pending filing of complete plans. Tops of storage tanks must be below the sewer mains.

Permission was granted the Civil Defense unit to have a helicopter land in Community Park as a part of the CD maneuvers on April 17 and a parachute jump is scheduled to take place in the area April 18.

The barber shop operated by Anthony Dina, CD director, and the radio store, operated by Dennis Ronan, have been designated as Civil Defense headquarters. Ronan is communications officer and has been granted leave to install a 2-way radio system in the Mokena police car for use in emergencies.

Dr. Tracy Patrick, Former Marley Resident, Dies

Funeral services were held at the Krueger chapel at Blue Island Monday for Dr. Tracy Patrick, 70, one time resident of Marley. Burial was in Mt. Greenwood cemetery.

Dr. Patrick, who had been residing in Norwalk, Ohio, died April 1 while visiting in Florida. He left Marley 40 years ago.

File Informations In Mokena Auto Stripping Case

The office of State's Attorney Frank H. Masters filed information against three Mokena residents in the county court yesterday.

The defendants are, Jack Armin, Warren Tomaska and Owen Bosard.

They are charged with lar-

ceny in connection with the stripping of an automobile allegedly stolen some weeks ago by David Hall, also of Mokena. Petitions charging Hall, 15, and two other juveniles, Fred Jeffers, 16, and Donald Jeffers, 17, also of Mokena, with delinquency had been filed previously.

Hearing on the petitions and the informations cannot be held until April 17, when County Judge John Cowing returns.

Illness Fatal to N. Lenox Woman

Mrs. Clementine Hendrixson, nee Smith, 80, a resident of New Lenox for 40 years, died in Silver Cross hospital, Monday, April 6 after a brief illness.

Born in Florence township, in 1878 the daughter of the late Silas and Mary Neese Smith, she was united in marriage with Harry E. Hendrixson in 1903 in Manhattan. The family moved to a farm in New Lenox township in 1919. Previous to Mr. Hendrixson's death in 1930, the family moved into the village of New Lenox.

Mrs. Hendrixson was a member of the New Lenox Methodist church and the Woman's club.

Surviving is a daughter, Mrs. Walter Baers, and a sister, Mrs. Elsa McClure, both of New Lenox; three brothers, Earle and Roy Smith of Manhattan and the Rev. S. Raynor Smith of Salem, Ore., a grandson and three great grandchildren.

Removal was to the Baskerville chapel in New Lenox, where private funeral services were held Wednesday afternoon. The Rev. Glenn Dunbar officiated. Burial was in Maplewood cemetery, New Lenox.

Girl Scouts Sell Cookies to Aid Camp Fund Project

The Girl Scouts of Trailways council, which is made up of three counties, Will, Kankakee and Grundy, have just concluded their annual cookie sales campaign and will start making deliveries April 17.

The girls in the Mokena area sold 1,136 boxes. The total number of boxes sold in the council area is 77,328. Mrs. Herbert Folkers, of Frankfort, was chairman of the cookie sales.

Proceeds will be applied on the purchase of a camp to be established in the region.

Assessor Sends Out Schedules for Personal Property

Assessor Harold Smith of Frankfort township is mailing out personal property schedules this year instead of making house to house calls. Persons who do not own household furnishings are advised to disregard the amount set down for that item and list their automobile.

There is a schedule accompanying the schedule setting forth the value on autos. This sheet takes into account only cars dating back to 1952. Persons that operate cars older than that should list their value at \$80, Mr. Smith said. Persons with boat trailers and house trailers are advised to get in touch with Mr. Smith to ascertain the valuation. Persons with any other questions are also advised to contact Mr. Smith. He resides at 130 Hickory street, Frankfort, and his telephone number is Frankfort 5128.

The schedules need not be notarized, Mr. Smith said.

Amvets Minstrels To Open Friday Night at Mokena

Everything is in readiness for the minstrel show that is coming to Mokena this Friday and Saturday evenings, April 10 and 11. It will be held in the Carpenter st. public school starting at 8:30 p.m., and is being given by the Auxiliary of the Amvets No. 183. The proceeds will go toward the amount which the local Amvets have pledged toward the building of the rustic out door chapel at the soldiers home in Danville.

According to the "grapevine" the members of the Amvets and its auxiliary have been practicing most every night and have about reached perfection. It is assured to all who attend that they will have many a good hearty laugh.

Tickets are nearly sold out, but for those who still desire to buy them, they may be had by contacting Mrs. B. Hoogstra, Mrs. James Martl, and Mrs. Andy Zink, at Mokena.

Geisler, Knippel Wills are Filed For Probate

William H. Geisler, Mokena druggist, who died suddenly March 16, left an estate valued at \$24,200 in personal property, according to his will which has been filed with Probate Clerk E. B. Workman. The widow, Mrs. Mary Louise Geisler, is named as the sole heir. She plans to continue to operate the Mokena drug store. Also filed for probate was the will of William L. Knippel of Frankfort, who died March 8. A son, Roland W. Knippel, of Frankfort, is named as sole heir. The estate consists of \$1,000 in personal property and \$26,000 in realty, according to the petition.

"Everyone wants to live at the expense of the state. They forget that the state lives at the expense of everyone." — Frederic Bastiat.

Death Takes F. C. Spiecker, Marley Resident

Last rites were held for Frank C. Spiecker, 77, in the Sonntag Chapel in Joliet on March 31. The Rev. Ray Hamer, pastor of the Marley Community church, officiated. Burial was in the Hadley cemetery.

Born in Lockport March 7, 1882, he lived in the Marley community most of his life, where he farmed. He retired in 1933.

Mr. Spiecker died Saturday in his home on Bruce road in Homer township. He was a member of the Marley church.

Surviving are his widow, Carrie; three daughters, Mrs. Iva Bell, Marley; Mrs. Laura Larson, Franklin Park; and Mrs. Alice Harmering, Palatine; three sons, Harold, Joliet; Fred Santa Ana, Calif.; and Ralph of New Lenox township; 16 grandchildren and eight great grandchildren. He was preceded in death by three sons, Clifford, Frank Jr. and Howard.

VOTERS—

(Continued from page 1) two high school districts of the area, Sandburg and Lincoln-Way. Sandburg voters will elect two. The candidates there are Herman Wilz of Palos Park and Harwood Stellwagen, Orland township.

The two candidates in Lincoln-Way district are J. Earl Robinson and James A. Dixon. Mokena voters will ballot on an \$84,000 bond issue for an addition to Willow Crest school as well as elect two candidates, Edwin W. Yunker and Hans W. Mueller.

In Orland Park three places are to be filled and the candidates are Mrs. Marguerite Carroll, incumbent, Ernest T. Bengtson and Charles A. McKinley. Eugene Paschall and Harry Ahnell, whose terms expire this month, did not choose to run.

Two places are to be filled on the Frankfort school board and there are three candidates: Ralph Dralle, Glen Nissen and Edward Tewes. The two incumbents whose terms expire, Robert Mitchell and Richard Schoelling, elected not to run.

At New Lenox there are two candidates for the two places to be filled, William Heidrich and Howard Handorf.

Fire Department Aids Victims At Orland Park

Andy VonVogt suffered fracture of several ribs when he fell from his bicycle in front of a stage coach being used for publicity purposes in front of a store in Orland Park.

The accident occurred Saturday afternoon at 143rd st. and route 45. The stage coach was being used to give children a ride in a beef round-up event. He was taken by ambulance to St. Francis hospital, Blue Island for treatment.

The fire department was called in this case and also on April 3, they used the inhalator on George Devine, who suffered a heart attack. He was taken to Little Company of Mary hospital.

Spokes of Bike Amputate Thumb Of 2-Year Old

A two year old boy, Stephen Lorenzon, son of Mr. and Mrs. James Lorenzon, lost a thumb when it was cut off by the spokes of a bicycle being ridden by an older brother.

The boys were playing in front of their home at 304 Haven ave., New Lenox Monday morning when the accident occurred.

New Lenox police officer, George Kennedy, rushed the boy and his mother to Silver Cross hospital, where a bone specialist was called to aid him.

Mokena, Ill. Tel. 5693

A NEW DEVICE that tests all parts of power lawnmowers, reel or rotary, is now in use at the L. Brownlee Co., a mower manufacturing and maintenance firm at Mokena. The tester was designed and built by Lester Brownlee, head of the firm. By using this machine, operators can tell within a few minutes what needs to be done to put a mower in top shape, how long the job will take and how much it will cost.

(Marvin Smith photo)

NEW LENOX BOARD—

(Continued from page 1) spread the cost of the sewer and water mains and the sewage treatment plant over all of the lots in the tract, together with the cost of the other improvements, so if the village bought the treatment plant they would be paid twice for it. What the village would do with the plant is another problem, it was pointed out.

Mayor Lloyd Berlin advised the board to move slowly, pointing out that the proposed subdivision will have a population of approximately 3,000, of which there would be enough voters to control village affairs. People in the subdivision, already having water and sewer, would likely vote against any bond issue which would bring similar improvements to the rest of the village.

Pickle said that if the village turned down their annexation petition, the subdivision would be developed under Will county building regulations.

New Lenox now has a new building code, framed with the aid of Levon Seron, Joliet architect.

Form Red Cross Committee in Area This Week

Formal organization of the South Cook County Regional committee of the Chicago Red Cross will take place Tuesday, April 14, at 8 p.m. in the Harvey Y.M.C.A.

The organization meeting has been called by Robert C. Peabworth, interim chairman of the committee, who has been directing the activities for the Chicago Red Cross chapter.

"The series of informal meetings which have been held in recent weeks throughout the South Cook County area, preparatory to the formation of this most important committee, has demonstrated the enthusiasm and the determination of our people in our communities to carry forward this new program," Peabworth stated.

The meeting will be attended by Chicago Red Cross chapter chairman James T. Ruthenford, chapter executive director William C. Lucey, assistant director Alfred M. Harries, and Mrs. LeRoy Kramer, regional administrator of the South Cook County Red Cross office.

Delegate members of the South Cook County regional committee from this area are Mrs. V. S. Miller, 17539 65th ave., Tinley Park; and Mrs. Sherman Knox, Brook ave., Orland Park.

NO RUB-OFF

Stainless steel is recommended for counter edgings because it does not rub off and soil clothing.

4-H NEWS

Alpine Girls
The meeting of the Alpine Girls 4H club was called to order by Elaine Yunker with the pledge to the flag. The roll was called and secretary's report given.

It was announced that the Alpine Girls received honorable mention on their window display for National 4H club week.

Joan Stellwagen played a piano solo called "Minuet in G."

A talk on parakeets was given by Pam Koester.

Refreshments were served by Barbara Strassenburg.

The group enjoyed playing games.

MRS. JOHN H. HUTFLES
(Paul Leland photo)

Grotousky-Hutfles Nuptials Are Solemnized at St. George Church

At a 10 a.m. nuptial mass on April 4, at St. George church, Tinley Park, Miss Theresa Ann Grotousky, daughter of Mr. and Mrs. James Grotousky, 18148 Oak Park av., Tinley Park, became the bride of John H. Hutfles of 18144 Oak Park ave. The groom is the son of Mr. and Mrs. Ernest Hutfles of Corning, Kansas.

The Rev. Anthony Chisek, uncle of the bride, officiated at the double ring ceremony. White carnations decorated the altar. Mrs. John Turner was the organist and the soloist, Robert Mentor, sang, "On This Day O Beautiful Mother" and "Ave Maria, Stella."

The bride, escorted down the aisle by her father, was radiant in a long sleeved white silk Bombazine gown with Alencon lace and Sabrina neckline. The long chapel train was caught in a butterfly bustle at the back. Her fingertip veil was attached to a Swedish crown of Alencon lace and seed pearls. She carried a prayer book on which was an orchid and streamers of white ribbon, entwined with stephanotis.

The maid of honor, Miss Anne Feldner, wore a light aqua crystalline gown with scoop neckline and cap sleeves. The pleated cummerbund was topped by a bow under the V back of the gown. She wore matching mitts and headpiece.

The bridesmaid, Miss Mary Elaine Hutfles, sister of the groom, and junior bridesmaid Miss Bernadette Grotousky, sister of the bride, were attired similar to the maid of honor. All carried bouquets of pink carnations.

The flower girl, Jane Hutfles, sister of the groom, was also gowned similarly and carried a miniature version of the flowers they carried.

The ring bearer, Leslie Bet-

tenhausen, carried a heart shaped pillow.

The best man was Gerald Hutfles, brother of the groom. Another attendant was James Grotousky, brother of the bride. Edward Grotousky, brother of the bride, served as usher. All wore midnight blue tuxedos.

The bride's mother wore a shaded blue print ensemble with pink hat and gloves. Patent purse and shoes completed the outfit. She wore a pink carnation corsage.

The groom's mother was attired in a turquoise dress, with matching jacket and had black and white accessories. She also wore a pink carnation corsage.

Grandparents who attended the wedding were Mrs. Veronica Hutfles of Kelly, Kansas, and Joseph Grotousky of Chicago.

A reception was held in the evening for 225 guests at St. George school hall. A four-tier wedding cake, topped with a miniature bride and groom, was served.

The couple left for a motor trip through the southwest and will return about April 20. They will make their home at 167th st., Orland Park.

The bride has been teaching at St. George school, Tinley Park. She is a graduate of Chicago Teachers College, and Loyola Univ. The groom is employed at Clark Oil Refining Company, Blue Island. He graduated from high school at Kelly, Kansas.

Out of town guests who attended the wedding were Miss Phyllis Bailey, Kansas City, Mo., Mrs. Amelia Vondenkampe and daughters, Seneca, Kansas; Mr. and Mrs. Richard Schmitz, Barleyville, Kansas; Mr. and Mrs. Lawrence Boeckman, Goff, Kansas and Mrs. Mary Ann Schmitz and son, Barleyville, Kansas.

Woman's Society Sponsoring an Epicurian Cruise

The annual smorgasbord event of the Women's Society of the Frankfort Methodist church, to be held Saturday, April 18, will take the form of an epicurean cruise and famous dishes from many major countries of the world will be available in this "Around the World in 80 Ways" dinner. Mrs. Wendell Morrison, president of the organization, has announced.

Mrs. Hershal Patterson is general chairman.

The tables will be a ship loaded with favorite foods of past years and added treats to satisfy every taste.

Sailings will be on the hour, at 4 p.m. and continuing thru the evening with the final au revoir at 8 p.m. Tickets will be by reservation only, so that there will be no waiting and no one left unfed.

Reservations may be made

Carol Schara Guest of Honor at Bridal Shower

A surprise bridal shower for Miss Carol Schara was held Monday evening at the home of Jo Ann Rizzutti, Tinley Park. It was given by the girls who will serve as maid of honor and bridesmaids at her wedding on April 11.

Her marriage to Glen D. Curran will be held at St. George church, Tinley Park.

The bride to be received many lovely gifts from the 20 guests who attended.

Refreshments were served from a buffet table centered with a three tier cake, pink and white umbrella and bride doll.

by calling Frankfort 3157, 4673, 3527 or by calling Mrs. Morrison at Frankfort 4732. In New Lenox call Mrs. Albert Bettenhausen at New Lenox 8207.

The address of the church is Saulk Trail at Linden Drive.

Third District Junior Woman's Board Makes Plans for Convention

Mrs. Oscar Enk, president of the Orland Park Junior Woman's club, attended the Third District board meeting held March 30 at the Ivanhoe Park Fieldhouse.

At the meeting, plans for the Spring convention at the Sherman Hotel in May were discussed, and Junior night will be May 6. A banquet for Juniors is planned at 5:45, followed by reports and entertainment. Those wishing to attend may make reservations with Mrs. Enk. The dinner will be \$5.25.

All members are urged to attend the Third District Junior annual night at the Ridge Park Fieldhouse, 96th and Brain Research Foundation, School for Exceptional Children, Namequa Lodge for Girls, and the Fund for Perceptually Handicapped Children.

The Orland Park Juniors will next meet on April 13 at MacKenzie's Restaurant at 8 o'clock. There will be an election of officers, report of committees, and reservations will be taken for the Spring dinner to be held May 14 at Silver Lake Country Club.

dress of lilac, which could be converted to an empire style dress with the addition of a short sleeved bolero in a coordinated print. It was also worn as a suit by the addition of a jacket matching the basic dress. A hat to be worn with all three styles was made of the same material used in the print bolero. The other winning ensemble was a black suit and tweed coat beautifully accented with a yellow hat and chiffon scarf.

Mrs. B. M. Seaman, Northern Regional Junior director, announced plans for next year's projects, which will be the Brain Research Foundation, School for Exceptional Children, Namequa Lodge for Girls, and the Fund for Perceptually Handicapped Children.

The Orland Park Juniors will next meet on April 13 at MacKenzie's Restaurant at 8 o'clock. There will be an election of officers, report of committees, and reservations will be taken for the Spring dinner to be held May 14 at Silver Lake Country Club.

Tinley Park Couple to Celebrate Golden Wedding With Open House

Mr. and Mrs. Dick Wille, Sr. 17549 66th ave., Tinley Park, will celebrate their 50th wedding anniversary on Saturday, April 18 with an open house at their home in the afternoon and evening. Friends and relatives are cordially invited to call. No written invitations will be sent.

Mrs. Elizabeth Wille was born in Tinley Park Oct. 8, 1888, the daughter of William and Sophie Schmaedecke Kollmann. Mr. Wille was also born in Tinley Park on Dec. 10, 1881, the son of Carl and Dorothy Sekman Wille.

They were united in marriage April 18, 1909 at St. John's Lutheran church of Tinley Park by Rev. Feddersen.

For most of their married life they lived on a farm on Ridgeland ave. near 183rd st. Twelve years ago they retired from farming and moved to their present home.

Seven children were born to them. Edna (Mrs. Elmer Dahman) of Matteson; George of Chicago; Wilbert and Dick of Tinley Park; Hilda (Mrs. Joseph Dahman) of Princeton, Ill.; Laura (Mrs. Howard Bruggeman) of Chicago and Ruth (Mrs. Orval Tomlinson) of Chicago, also 11 grandsons and five granddaughters.

Mr. Wille still enjoys good health, but Mrs. Wille has been

Fashion Show Set for Sunday At Sacred Heart

A spring and summer fashion show will be held in the Sacred Heart high school, St. Francis road, at Route 45, Sunday, April 19 from 3 to 5 p.m. It will be sponsored by the mothers, who with the students, will do the modeling. The costumes will be furnished by a well known shop.

Prizes will be awarded, and refreshments will be served. Everyone is invited to attend.

Tickets are available by calling Mrs. William Weber, Mrs. James Murdock, Mrs. Larry Weathers and Mrs. Arthur Marshall in the Mokena area; or Mrs. Julia Batkowiak, Mrs. Ray Holcomb and Mrs. Elinore Cahill in Palos area.

To be happy, you should do something every day to make other people happy — even if it's merely to let them alone.

Meerschaum, used in pipes, is a soft white mineral.

confined to a wheel chair for the last two years.

A dinner and party for the immediate family of children and grandchildren will be given Sunday, April 19.

St. John's Women's Guild Meets April 16

The regular meeting of St. John's Women's Guild will be held in Fellowship hall April 16, preceded by dessert-coffee at 1:30.

Rev. Wm. J. Riemann will lead the devotions. The topic of discussion will be "Religion and the Churches."

As many as possible are urged to attend the Monee Regional Guild meeting April 14. This meeting will be held in the Zion United Church of Christ at Gilman.

Hostesses for the April meeting are Mmes. Luella Marti, chairman, Emma Bisgrove, Albert Lorenz, Louis Lauffer, Ed Martie, Lester Schiek, Harold Spiess, Clarence Immekus.

Mrs. Mary Maxwell to Install Officers of VFW Auxiliary

The Ladies Auxiliary to Wm. Martin Post 275, Mokena, will hold installation of officers on Saturday, April 11, at 7:30 p.m. in the V.F.W. hall, Wolf rd., Mokena. Mrs. Mary Maxwell of Tinley Park, past 16th District president, will be the installing officer. The public is invited to attend.

The plans for the installation ceremony were discussed at the Auxiliary meeting last Thursday.

The following members were presented with 15-years pins: Mrs. Mildred McMillan, Mrs. Mary Steinhagen, and Mrs. Oline Williams; 5-year pins were presented to Mrs. Pat Larson, Mrs. Dorothy Homfeld and Mrs. Josephine Riser.

Two new members who were accepted into Auxiliary are Mrs. Martha Jo Doyle and her daughter, Martha Lee.

The members voted to send contributions to the Cancer and Heart funds, also the Red Cross.

Mrs. Williams, Poppy chairman, announces the poppies have been ordered and the date of the drive will be announced at the next meeting.

The 5th District meeting will be held at Waukegan in the Post home, 124 S. Utica st., at 2:30 p.m., May 17.

The Department of Illinois Encampment, it was announced, will be held in Springfield, June 11, 12, 13 and 14. More information may be obtained from the Auxiliary secretary, Mrs. Alma Peterson, New Lenox 2624.

The Ladies Auxiliary will serve refreshments at the card party being sponsored by the fire department, which will be held Saturday, April 25; also for the dance being given by the department on May 2nd, in the V.F.W. hall.

The Auxiliary will hold their regular card party May 9th. The following committee will serve: Mrs. Steinhagen, chairman; Mrs. Homfeld, Mrs. Larson and Mrs. Mathilda Stanekus.

Games start at 8 p.m. Refreshments will be served. The public is invited.

The most valuable sea catches for U. S. fishermen in 1958 were shrimp, salmon and tuna, in that order.

Lincoln-Way Nine Starts With 2-1 Win

Lincoln-Way's Knights opened its quest for a .500 baseball season with a tight 2-1 victory over a well regarded Crete-Monee team.

Crete has been considered highly because of its pitching. Lincoln-Way saw plenty of pitching as Buckholz gave them only five hits—K.O.'ed 12.

However, Jim McGuire, Lincoln-Way pitcher was just a little better as he limited Crete to 3 hits and struck out 16. Not a bad performance. Coach Joe Lashmet was happy and surprised with McGuire's performance.

"We were fortunate to win the game," explained Lashmet. "But the boys did a good job for the first game. I knew that our hitting would be weak. It was."

"I think that we will hit in the future. The boys were not taking third strikes with the bat on their shoulders. One must not sell this Buckholz short. He has blinding speed."

Lashmet was pleased with the play of freshman Ron Yunker. Ron did a good job at third base and collected two infield hits in three times at bat.

Lincoln-Way scored its two runs in the top of the sixth to overcome the only Crete run that was scored in the first inning when Edlund of the Knights lost a fly ball in the sun.

Jerry Haehnlein led off the inning with a base on balls. Piepenbrink hit for Jim Gast and drew another walk. Ron Yunker came thru with his second hit of the day to load the bases.

Jim Hughes struck out, but Osborne walked to force in a run and tie the contest and then came the walk to Edlund that cemented the victory for the Knights.

Lashmet felt that they were fortunate to come away with the victory when they had not batted in a single run.

Summary:

Archers Hold First Shoot of 1959 Club Year

The Tinley Park Archers held its first club shoot of the year Sunday, April 5th. One of the largest turnouts in the club's short history was present.

Reporter for the club John Bagdonas, announced that new members are being sought and the club anticipates a total membership of about 200.

The next meeting will be held at the Central School in Tinley Park Thursday evening, April 21.

Ribbons were won by the following members:

Men's Division
Clarence Schutte, Oaklawn, expert B, free style, 307; Bob Simulick, Tinley Park, expert B, instinctive, 297; Verb Stanley, Park Crest, expert B, instinctive, 221.

Bowmen Class —Instinctive
Gene Schatz, Tinley Park, 193; Jerry Cowles, Palos Heights, 178; Ed Henschel, Tinley Pk., 177.

Archers Class — Instinctive
Bob Jennings, Worth, 156; John McDonnell, Chicago, 136; Hank Havens, Tinley Park, 136.

Novice — Instinctive
John Naughton, Tinley Pk., 110.

Visitors Group — Instinctive
Stan Goldys, 69.

Women's Division
Archers Class—Instinctive
Virginia Schatz, Tinley Park, 135.

Novice Group — Instinctive
Fern Buck, Tinley Park, 57.

Intermediate — Instinctive
Archie Zientara, Tinley Park, 157.

Juniors — Instinctive
Larry Jennings, Worth, 12; Dickie Havens, Tinley Park, 9.

12 STRAIGHT STRIKES — WOW! and brother you can say that again. You probably will if you bowl a perfect game as did Dale Johnson, of Mokena, the klinger pictured in action here at the Wilson

Lanes in Frankfort. Johnson said Wow! a couple of times after the pins all spilled in the 12th frame and his teammates and everyone else in the bowling alley joined in. (Marvin Smith photo)

Mokena Bowler Rolls 300 Game In League Play on Frankfort Lanes

The thrill that comes once in a lifetime for bowlers came to Dale Johnson last Thursday night on the Wilson Lanes at Frankfort.

He rolled a perfect game. And what was sweeter, he scored the 300 in sanctioned league play. A 300 in sanctioned league play is quite rewarding.

Johnson, who bowls in the middle spot for the Cities Service team in the Business Men's League, has been bowling nine years. His league average is 162.

Using an alley ball and

wearing rented shoes Johnson got away to a good start last Thursday night. In fact it was perfect.

He chalked up 12 strikes in the first game to attain the goal of all bowlers and just to prove that he was really in the groove he rolled 196 in his second game and 161 in the third for a 657 series.

It was not only Johnson's first 300 game but the series was reported to be his best to date. And incidentally it was the first 300 game rolled since the Wilson Lanes opened 11 years ago.

Just how many things Johnson has won by reason of his perfect game has not been determined. It is known, however, that he gets a diamond ring from A.B.C., an electric wrist watch from a brewery, two bowling balls, and a bag. And there will be other things. If he gets shoes he will have a complete outfit.

His wife also bowls and she didn't have her own ball either. Now she will. Johnson said he would give one of those he won to her.

SW Loop to Open Baseball Season

Bremen and Lincoln-Way tangle in the SWS baseball opener at New Lenox Monday evening at 4 p.m.

Rich goes to Orland Park to meet the Eagles of Carl Sandburg.

Evergreen Park and Oak Lawn meet at Evergreen. The Mustangs are defending champs and expect to repeat. Oak Lawn will offer a good stiff test, according to scouting reports.

Coach Hank Meyer of Sandburg is much worried about the prospects of his team. "We

just can't hit. Why, unless I find some batters I don't know where we will finish."

Rich is a veteran team that must be given some consideration for this title contention business and so Sandburg is having to start the young season with a battle with some of the best.

Lincoln Way should not prove too tough to a fairly good hitting Bremen team. Lashmet hopes to win at least half of his games, but faces a rugged test in the likes of Bob Rodger.

Rodger hit two homers against Lincoln-Way in the first meeting of the two teams. Luke Kent, who may be on the mound, turned in a no-hit performance against the Red and Black Knights of New Lenox.

If Jim McGuire can duplicate his feat of last Monday this could be a real thriller. This should be an interesting game to watch.

In the Sandburg-Rich battle Meyer is sticking with a very inexperienced team of sophomores.

200 Report for Spring Sports at CSHS — Baseball, Track, Golf

Approximately 200 Carl Sandburg high school boys reported for spring sports, including baseball, track, and golf as practice sessions got underway for season openers this week.

Altho spring rains always play havoc with scheduling, the baseball team was to meet Lockport on April 7. Friday, April 10 will find Sandburg's golfers opening against Joliet at Oak Hills. The first track action will be a triangular affair on Thursday, April 9 with Argo and Reavis at Reavis.

In addition to the regular golf schedule, Coach Jim Zimmerman has been notified that Sandburg will host the District Golf Meet early in May. Sandburg will defend its Southwest Suburban Golf crown on May 18, following the State Finals.

The complete schedules: Baseball—Henry Meier, head coach; Bill Brown, assistant.

April 7, Lockport; April 10, Argo; April 13, Rich; April 15, Reavis; April 17, Lincoln-Way; April 20, Joliet; April 22, Oak Lawn; April 24, Evergreen Park; April 27, Bremen; April 29, Rich; May 1, Reavis; May 4, Lincoln Way; May 6, Kankakee; May 8, Oak Lawn; May 11-13, District; May 14, Evergreen; May 21, Bremen; May 28, Lemont.

Golf—Jim Zimmerman, head coach. April 10, Joliet; April 13, Reavis; April 14, Riverside-Brookfield; April 20, Morton; April 29, Rich; May 7, Reavis; May 11, Oak Lawn; May 13, Evergreen Park. (More matches may be added.)

Award Letters To Athletes at Sandburg High

Sixteen Carl Sandburg high school athletes have been awarded varsity letters in basketball and wrestling for efforts during the 1958-59 season.

Athletic Director John Jostad made the announcement recently along with the listing of those boys receiving frosh-soph and freshman numerical awards.

Varsity basketball: Phil Yurtis (Capt.), Jerry McBride, Don Arnold, Dick Barry, Duane Erickson, Bob Schneider, and Dick Seales. Varsity wrestling: Earl Brietbarth, Al Jaklich (Capt.), Ron Risner, Tom Miller, Dave Gibson, Tony Uzardo, Roger Chatlosch, Jerry Gorman and Fred Hely.

Frosh-soph basketball: Ted LaVine (capt.), Paul Busch, Bill Gorney, Lance Roberts, Jim Jeffries and Lyn Con-Bob McKim, Ron Lindgren, rady. Frosh-soph wrestling: Larry Atwood, Dave Bomet, Jim Gibbons, Gary Kozbiel, Joe Maciaszek, George Schorber, Glen Smith, Gil Peterson, Ray Heniff and Charles Kallstrom.

Freshman basketball: Geo. Bosworth, Richard DeBacher, Ken Hammond, Bill Hayes, Steve Johanson, Larry Koblica, Jim LaVine, Bob Mehling, George Tietz, Dan Wasick, Terry Young and Jerry Zinn. Junior Varsity basketball: John Rupp, Don Overheu, Pat McCarthy, Tony LaVine, Phil Hamm, Pat Barrett, Roger Brown, Jack Kufay, Tony Kanavsky and Randy Cernick.

Managers receiving awards were Joe Pierce, Leroy Neitzel, Jim Corady, Phil Jones, Stanley Maciaszek, Dennis Smith, Ted Ryssman and Pete Lohman.

Browsing Through The Cold Stove League

By DEAN DALLAS, Sports Editor

The Tony Bettenhausen story will resume in the Semmler Press on the final Thursday of this month. The actual date of the story resumption is April 30. The story will then continue until the "500."

The Tinley Park soccer meeting produced five goals and one field man. However, Lyman Anfield reports that the effort to secure a team is not ended.

The team will not be in the official conference, but will spend this season playing exhibition games — providing that enough players are congregated for a team.

Chicago High School baseball teams have played three or four games by this date. Many schools in the SW Suburban will not get under way until this Friday afternoon. It would seem that the season could be planned earlier here in the SWS.

One problem that develops is that the SW Suburban Conference tourney is a definite anti-climax to the district meet. This is never the best situation. The league tourney tends to produce a poorer brand of hard-ball than the district.

Weather seems to be a problem, but our weather is much the same as Chicago's.

Bill Rohr, speaker at the Lions of Lincoln-Way athletic banquet on Wednesday has quite an interesting background. It is obvious that Rohr is a fierce competitor. He was schooled in the winning sports university in Ohio under Paul Brown. Watch for the interview with Rohr in next week's paper.

New Lenox Wins Grade Wrestling

New Lenox grade school won the first annual Lincoln-Way grade school invitational wrestling tournament last Saturday at New Lenox.

New Lenox beat Mokena and Ann Rutledge schools by Ann Rutledge schools by five points, 77-72. Mokena and second place.

Invitations were sent to 13 grade schools and 7 schools sent representatives.

The trophy will be given to New Lenox on April 17 at the Lions of Lincoln-Way gymnastic show.

Komes of Ann Rutledge won over Smithson of New Lenox by a fall at 2:36.

Webber of New Lenox won

the 79-pound championship with a quick 42 pin on Tip-on of Mokena.

In the 87-lb. class Christian of Weitendorf pinned Teineche of Mokena in 1:40. Johnson pulled the quickest pin of the tourney when he stopped Brown of Mokena at 14 seconds. This was in the 95-lb. division.

Delay of Manhattan pinned Kokal of New Lenox at the 25 second mark in the 103-lb. class.

Wheeler of A. R. pulled another quick pin in the 112-pound by beating Erickson of New Lenox in 41 seconds.

T. Webber of New Lenox

pinned Hendrickson of A. R. in the 120 in 40 seconds.

Duffy of New Lenox took Williams of Mokena with a fall at the 2:30 mark in the 129-lbs.

Nieman of Mokena won the 135-lbs. with a 50 second pin over Staton of A. R.

Badten of Mokena copped the unlimited class with a 7-0 win over Hunter of New Lenox.

3rd, 4th Grade Pupils Present Program at PTA

By MRS. EMIL WILLE
Frankfort 3161

The regular monthly business meeting of the Ann Rutledge PTA will be held Monday, April 13 at 8 p.m. in the school.

The program will be presented by the 3rd and 4th grade pupils and will be directed by their teacher, Mrs. Charlotte Daugherty. The public is invited.

Two local residents, Mr. and Mrs. Jay W. Bissell are taking part in a play, "Goodbye My Fancy," to be presented by the Lincoln-Way Players April 18 and 19.

There will be one performance Saturday evening and a matinee at 2 p.m. Sunday. This is a fund raising project, sponsored by the Lincoln-Way PTA to buy necessities for the school.

Mr. and Mrs. George Kaehler and family and Mrs. Emma Gieger took a motor trip to Rockford Sunday.

The Eastern Area Council of PTA held their regular meeting at the Haven school in New Lenox Thursday evening, April 2.

Elaine Urbano returned home from Silver Cross hospital where she had been a medical patient.

Dennis Wheeler and a classmate at Northwestern University, spent two weeks at home with his parents, Mr. and Mrs.

Woman's Club to Select Winners Of Art Contest at Next Meeting

By MRS. LILLIAN KNOX
Fieldbrook 9-0211

The annual covered dish luncheon and meeting of the Woman's club will be held April 15 at 12:30 p.m. at the Community Center Foundation. Mrs. Harry Anderson, art chairman will have a display of pictures from school students who entered the art contest. The club will select and award prizes, as they have done in the past years.

Mrs. Adele Cooper will install the following newly elected officers: Mrs. Chester Williams, president; Mrs. Karl Ekberg, 1st vice pres., Mrs. Fred Blackstone, 2nd vice president and Mrs. Stanley Knight secretary.

Mrs. Karl Ekberg, as past president of the club, and her guest Mrs. Fred Blackstone, attended the Former Presidents club of 3rd District, IFWC annual spring luncheon, Thursday, March 26 in the Louis VI room of the Shoreland hotel.

A plea to all club members is to help finish articles which the patients have started at Oak Forest OT shop to be on display at the convention May 5-6-7 at the Sherman hotel. If you can help any day from now until the first of May, call Mrs. Vojtech at Oak Forest, Fulton 8-2360, extension 364.

Miss Janet Weir of Worth, formerly of Palos township, died in her home Thursday, April 2. She was born April 18, 1880 in Palos township and had resided there all her life with the exception of 14 years when she moved to Worth. She is survived by a sister, Agnes.

Funeral services were held Saturday, April 4 at Schmaedeke Funeral Home. Rev. Paul Zeman, pastor of Worth Methodist church officiated. Burial was in Fairmount cemetery.

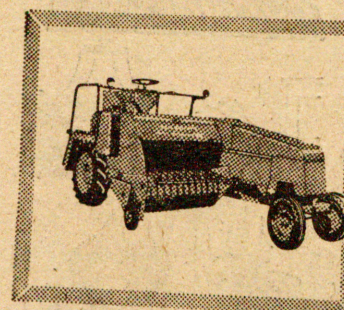

Miss Weir was a member of the Worth Methodist church and the Wednesday afternoon club.

A reminder—the annual spaghetti supper being sponsored by the men of

Robert Wheeler.

Lyle Koester spent the week end at Bull Shoals, Ark. on a fishing trip.

Mrs. Karl Ekberg sent 30 doz. eggs to the Methodist Old Peoples Home on Foster ave. in time for Easter. This is a program that the members and friends of Methodist church WSCS sponsor. A cash contribution will be mailed to Lake Bluff Childrens Home later. Thanks are extended to all the contributors.

Mrs. Joseph Phillips and family of Elmhurst and Mr. and Mrs. Irvin Kenickman and Edward Kenickman of St. Ignace, were Sunday guests of Mr. and Mrs. Harry Heiting. They had come to Orland to pay their respects to the Wm. Kollman family.

Harry Heiting has received word that his uncle Arthur Nauta in Waukegan died in his home Sunday. Funeral services were held Tuesday in Waukegan.

Norman Pfeiffer of Palos entertained the newlyweds, Mr. and Mrs. Howard Bush and Mr. and Mrs. Lloyd Frederickson of LaGrange by taking them to the Shrine Circus last Tuesday evening.

JACKPOSTS VERSATILE
Adjustable steel jackposts are ideal for lifting sagging floors or supporting heavy floor loads. They will lift 15,000 pounds and support 20,000 lbs. The long steel jackposts adjust from 4" to 79". The short post adjusts from 1'6" to 3'1". They can be used for temporary support or left in place permanently.

Backwood Trails

By ART SCHUMANN

If you are unfamiliar with the public fishing areas in Illinois, you will want to send for the new booklet issued by the Illinois Division of Fisheries. Entitled "Illinois Public Fishing Areas," it lists the 341 fishable streams covering 7,225 miles in Illinois.

In addition there are represented 344 public fishing lakes with a total surface area of 100,131 acres. The brochure shows the location of the major fishing areas, the park acreage, water acreage, maximum depth and the miles of shoreline.

Facilities, such as camp sites, picnic areas, boats, boat ramps, swimming and boat docks are also shown at those areas with those conveniences. The species of fish and the town nearest each fishing area are also listed. It is small and compact and a valuable piece of information to keep handy in your tackle box. To get a copy, write to the Division of Fisheries, 102 State Office Building, Springfield, Ill.

At the last meeting of the Fairmont Chapter of the "Ike" Waltons we enjoyed one of the best waterfowl hunting films we have seen in some time. It covered the best hunting areas from coast to coast and showed the various ways of hunting waterfowl. The film had close ups of the various species in order to familiarize the hunter with their appearance and characteristics of flight. It pointed out the quick way to distinguish ducks that look alike such as the Canvasback and Redhead.

After the film had been shown, it stirred up a good hunting conversation during the refreshments that lasted the entire evening. Jeff Winkler does a terrific job each month on his selection of outdoor films for the meeting. Whether its a film of fishing up in the North Woods, duck hunting on the Mississippi, or some films taken by a club member on an outdoor vacation, they are always well worth seeing.

The Fairmont "Ikes" are busy looking for a good fishing area. Tentative plans are being set up to organize a recreation committee to investigate possible outdoor areas throughout the vicinity for either purchase or lease. When they find what they're looking for, you can bet it will end up being one of the outstanding clubs in the state.

One of the biggest problems facing sportsmen today is pollution. Everyone who spends time in the out of doors, knows the effect it can have on recreational areas, and communities alike. Those who are members of Clean Streams Committees, health departments and other organizations who work hard to clean up pollution problems know the serious effect pollution can have on entire communities when the problem becomes acute.

In the past month we have seen cases in Lockport that are truly shameful. We know of a 12 year old boy who dropped a large box of garbage off the bridge crossing the I and M Canal at Ninth street into the water at night. Another boy did the same thing at the small bridge on Madison St., dumping it into the small creek that flows past the Dairy Dome and under the bridge between Seventh and Eighth streets.

It is possible that the parents involved are not aware this is being done. If they are aware of it, and encouraging it, they are setting the poorest example possible.

The same people who are responsible for contaminating our creeks and ponds and creating pestilence in hot summer months are usually those who complain first about mosquitoes and fogging by the city to reduce them.

Till Next Week Art

Grade School Keglers Roll in Mail Tournament

The 14th annual Mailographic Handicap Tournament of the American Junior Bowling Congress was held at Davey's Lanes in New Lenox Saturday.

Three five man boys teams and three girls teams of five each, consisting of grade school students under 13 years of age, participated in the national event.

Mokena

Civil Defense Unit to Conduct First Aid Course at VFW Hall

A first aid course will be started in Mokena under the auspices of the Civil Defense. It will be held in the VFW hall on Wolf road, starting Friday, April 10 at 7 p.m. and continue each Friday evening for the next nine weeks.

The course will cover beginning and advanced First Aid and is a must for volunteers of light rescue work, fire department rescue squad and auxiliary police.

These courses are for every body, and no one needs to belong to the Civil Defense group. Arthur Omland, Mokena Boy Scout master will be the instructor. Anthony A. Dina is director of Civil Defense. It is hoped that there will be a large group who will avail themselves of this opportunity to learn vital life saving knowledge.

A call is being sent out to all teenagers, of high school age or over and their parents, to attend a meeting to re-organize the Mokena Teen club. This meeting will be held next Tuesday, April 14 at 8 p.m. in the social center of St. Mary's hall on Wolf road. Any teenager from the area is cordially invited and listed as one of many surprises will be a jam session.

The Evening circle of the WSCS of the Methodist church which was to have met in the home of Mrs. William Blaha this Friday evening, has been postponed to Friday evening, April 17, because Mrs. Blaha

Cards of Thanks

I wish to thank relatives, friends and neighbors for their thoughtfulness, visits and flowers while I was confined at home. A special thank you to Rev. Kenneth Crandall and to the Tinley Park Inhalator squad for their assistance. Mrs. William Roemer Tinley Park

My sincere thanks to relatives, friends, and classmates for the cards and gifts which I received during my recent illness at the hospital. Also Rev. Erich Bizer for his visits and prayers. Dale Schoen Frankfort

We wish to express our heartfelt thanks to our friends and neighbors for their sympathy and many acts of kindness extended to us at the time of the death of our beloved husband, father and grandfather; also for the floral offerings, memorials, and to the Rev. Ray Hamer for his comforting words. Mrs. Frank Spiecker and family Marley

I wish to thank friends and relatives for the many cards, flowers and gifts received on my 90th birthday. Thanks also to those who visited me. Mrs. Octavia Pugh New Lenox

We wish to thank the Mokena Volunteer Fire dept. for their prompt response to our call when the lot adjacent to our home was afire. Mr. and Mrs. James Hearn Mokena

In Memoriam

IN MEMORIAM SWANSON, Charles W. — In loving memory of our husband and father who passed away six years ago April 15. Always so true, unselfish and kind; Few in this world his equal you'd find. A beautiful life that came to an end. He died as he lived, everyone's friend. Loving wife, children and grandchildren Tinley Park

LEGAL NOTICE

SCHOOL ELECTION NOTICE DISTRICT 139 Notice is hereby given that on Saturday, April 11, 1959, an election will be held in the Hollstein School, in School District 139, County of Cook, and State of Illinois, for the purpose of electing one school director for the full term of three years. Caucus will be held from 4:00 to 4:30 p.m. The polls will be open at 4:30 p.m. and close at 7 p.m. of the same day. By order of the Board of Directors of said district. Dated this 20th day of March, 1959. CLARENCE COY, President MILTON BETTENHAUSEN, Clerk

is ill with the flu. Mr. and Mrs. John Langland and children have returned from a motor trip to Phoenix, Ariz., where they visited with his father.

Home Bureau

The Frankfort Mokena Home Bureau met last Thursday evening in the home of Mrs. Ray Westlund. There were nine members and one guest present.

The major lesson on care of outdoor plants was given by Mrs. Lawrence Kohl and Mrs. John Hubler.

The next meeting will be Thursday May 7 in the home of Mrs. George Smego in Frankfort.

Mrs. Anton Benson who returned to her home several weeks ago from Kankakee, where she had been visiting her son and family, is improving each day. Mrs. George Blsgrove is staying with her. In speaking with Mrs. Benson she stated that her daughter, Mrs. Bertha Swanson and family in Rockford, do not live near the flooded area; neither does her son Gordon Benson and family who have just moved into a lovely newly built home in Pecatonica; or her son Olander and family who live in Winnebago. Their friends in Mokena are glad to know this good news.

Mr. and Mrs. Durward Fant went to Washington, D. C., by plane on a week's business trip for his company. Their children are staying with neighbors in their absence.

The Rev. and Mrs. Jerald Jackson went to Minnesota over the weekend to attend the 45th wedding anniversary of his parents. His father is a minister there in the Methodist church. They returned Monday evening. In their absence, Sunday the Rev. J. Leslie Fox, assistant pastor at the Ottawa Street Methodist church in Joliet, occupied the pulpit in the Mokena Methodist church.

Mrs. Ralph Howell motored with friends Saturday morning from Joliet to Scottsville, Kentucky where she visited with her father, Joseph Crowe. She returned Wednesday.

Mr. and Mrs. Warren Proud and family who lived in the Pfleger upper apartment, moved to Washington, D. C. where he has accepted a position with the army as accountant. Mr. and Mrs. Knute Olson who have been living in the Mall cottage, Front and Wolf road, moved into the Pfleger apartment.

Mr. and Mrs. Bernard Hoogstra, 191st street, were recent dinner guests in the home of their neighbor, Mr. and Mrs. John Langland. A pleasant evening followed the dinner.

The Men's club of the Immanuel Lutheran church of Mokena will have their annual father-son banquet in the church dining room on Friday, April 17, at 7 p.m. Gilbert Grounke, services chairman of the Northern Illinois District of the Lutheran Layman's League will present a membership chart to the club as part of the program. There will also be a movie.

The following committee is in charge: Harry S. Pihl, Clyde Yunker, and Lorne Niemann. Tickets may be obtained from Yunker at Mokena 5158.

Hostesses for the demonstration party being given at St. Mary's Center, Wednesday, April 22 at 8 p.m. are Mrs. Marie Kestel and Mrs. Virginia Lemhart. It is being given by St. Mary's Sacred Heart League.

G A A PLAYDAY

All 8th grade girls in the vicinity are invited to the Lincoln-Way GAA 8th grade Play Day this Saturday, April 11, from 8 a.m. to noon at the Lincoln-Way high school.

The theme of the day is Sports Roundup; the time will be spent in various sports. Light refreshments will be served.

Legal Notice

PUBLIC NOTICE The Plan Commission of the Village of New Lenox will meet April 27 to view the proposed plat of the Daniel T. Walker subdivision, described as follows: A part of the Northwest quarter of Section 10, township 35, range 11, East of the third principle meridian, Will County, Illinois. WALTER BAERS, Chairman Plan Commission April 9

THE KENDALL COLLEGE CHOIR of 38 voices will present a concert on Sunday April 12 at 7:45 p.m. in the Methodist church at Frankfort, before starting out on their spring tour. Nine concerts in five days before church and high school audiences in northern Illinois and southern Wisconsin are on the choir's schedule.

A special feature of this year's concert will be the motets sung by the Kendall college motet choir, a group of 17 carefully selected voices from the larger choir. A motet is a choral composition, usually

unaccompanied, in which several melodies progress simultaneously and in which is evident a constant use of imitation between the various voices or parts.

In one group, the Motet Choir will sing eight short motets, celebrating such festivities of the Christian church calendar as Advent, Christmas, Epiphany, Easter, Ascension, Whitsuntide, and Trinity Sunday. These are the work of the modern composer, Everett Titcomb, well known for his church compositions. Kendall, with Methodist affiliation, is a 2-year liberal arts college at Evanston.

Lincolnwood

Complains of Vandalism on Private Holdings

By DELORES ANDERSON

New Lenox 3651 Mr. and Mrs. Roman Nowicki of Pioneer drive have issued a warning to parents whose children have committed acts of vandalism on a shed, used for storage on their property. All of the windows have been broken and materials stored there have been tampered with. They state that children or teenagers entered the building, leave the doors open, and destroy the property. The Nowickis have threatened to report any further acts of violence to the police.

Members of the Busy Hour 4H club will meet Friday night, April 17 at the home of Miss Judy Owen for their monthly meeting.

Mr. and Mrs. Michael Orey Jr. left Thursday and returned home Sunday night from Lima, Ohio, where they attended the wedding of Richard Vander Hagen and Miss Rosan Dipenbrock. Mr. Orey served as usher at the wedding on Saturday morning. The Orey children, Kathie, Stevie, and Mikie spent the weekend in South Bend, Ind. with their grand parents, Mr. and Mrs. Michael Orey Sr.

Mr. and Mrs. Roman Nowicki had as guests over the past weekend, Mrs. Dolly Shepler of Bryan, Ohio, and Anthony Lick of Mokena.

Mrs. Clifford White and children visited Sunday with her sister, Mrs. Leonard Domke in Valparaiso, Ind.

Cub Scout Den 1 of Pack 41 met Thursday afternoon at the home of assistant den mother, Mrs. Richard Pokorny. The boys with the aid of den mother, Mrs. Ralph Oldt, are preparing talks to be given at the next Pack meeting, on farm animals, in keeping with their theme for the month "Down on the Farm." An identification game played with farm animals was enjoyed, and each boy has started his own plant, from a pumpkin seed that he is to watch grow and develop.

Mr. and Mrs. Richard Pokorny and sons were guests Sunday of Mr. and Mrs. George Novotney in LaGrange Park. Mrs. D. M. Owens enter-

New Lenox

Toastmasters to Present Program At PTA Meeting

By DELORES ANDERSON

New Lenox 3651 The New Lenox PTA will meet Tuesday April 14 at 7:45 p.m. in the Haven school gym. The New Lenox Toastmasters club will present a panel discussion on the subject "How Can We Teach Our Children to Accept Responsibility?" Also on the program will be several solo numbers given by a few members of the local band. There will be a display of local art work and handicraft and hobbies after the meeting. Local artists will display some of their work, among them will be Mrs. Berdella Talmadge, Mrs. Goldie Yeager, Mrs. Alberta Hull, and Mrs. Dorothy Sheeler. Everyone is urged to bring to the meeting, children or adults amateur art and craft work.

Hostesses will be the first grade mothers.

Members of the official board of the New Lenox Parent Teachers association, held their monthly meeting Tuesday night, April 7 at the home of Mrs.

tained the members of the Witty Knitters club in her home Wednesday afternoon. Mrs. Richard Pokorny will entertain the group at their next meeting.

Miss Millicent Halik has recovered from a siege of mumps

Mrs. Ida Harmening Honored At 82nd Birthday on Sunday

By KATHARINE HEISNER
Frankfort 8-5187

Mrs. Ida Harmening was the honored guest Sunday when her daughter entertained at a dinner party for her 82nd birthday anniversary at her home. There were two of the guests' birthdays celebrated also, Mrs. Raymond Scherer of Mankato and George Wamacher of Mokena. Other guests were Raymond Scherer and Mrs. Emma Hermann of Mankato, Mr. and Mrs. August Werner of Mokena, Mr. and Mrs. August Zummallen of Chicago, Mrs. Sophia Harmening of Mokena, Mr. and Mrs. John Stuckey of Matteson, Mr. and Mrs. Emil Pulso of Peotone, Mr. and Mrs. Fred Harmening and Wilmer Koelling and Edward Gaines all of Crete, Mr. and Mrs. Alvin Har-nack, Mr. and Mrs. Ray Kle-man, Mr. and Mrs. Fred Stuckey and Mr. and Mrs. Lloyd Lühring. Later cards were the diversion of the evening.

Mr. and Mrs. Henry Smit entertained at a five o'clock dinner Sunday at their home. Their guests were Mr. and Mrs. Charles Heuser of Peotone, Dr. and Mrs. M. Posert of Chicago and Mr. and Mrs. Leon Knickrehm and family of Roselle.

Dinner guests Sunday of Mr. and Mrs. Harold Ulrich were Mr. and Mrs. Ray Hoffman of Peotone, Mr. and Mrs. Donald Hoffman of Urbano, Mr. and Mrs. James Gardner of Joliet and Mr. and Mrs. Roger Ulrich and daughter. In the evening Mr. and Mrs. Warren Anderson and family of Frankfort joined them.

Mr. and Mrs. Earl Bettenhausen and daughter Marie Ann were dinner guests Sunday of her parents, Mr. and Mrs. Albert Steinberg.

Mr. and Mrs. Robert Simpson and family, Mr. and Mrs. John Schilling, Mr. and Mrs. Ernest Mersch, and Mr. and Mrs. Jack Glenn and family of Mokena, Mr. and Mrs. Albert Sylvester and family of Burnham, were dinner guests Sunday of Mr. and Mrs. Arthur Schilling in honor of their daughter Peggy's fifth birthday.

Mr. and Mrs. Wilbert Klier entertained their card club at their home Saturday evening. Honors were won by Mrs. Clyde Reils, Mrs. Klier and Milton Subbert. Refreshments were served.

Mrs. Henry Mark entertained her pinocle club last Friday. Honors were won by Mrs. John Weitendorf and Mrs. Glenn Folkers of Joliet. Refreshments were served.

Mr. and Mrs. Albert Krusemark entertained the following dinner guests Sunday: Mr. and Mrs. Herman Weichbrodt and family, Mrs. William Koerner, Mr. and Mrs. Wallace Weichbrodt and Scherrill, Mr. and Mrs. Ronald Senesac and family and Mr. and Mrs. Vernon Siemson of Peotone.

Kenneth Marientfeld, son of Dr. and Mrs. Carl Marientfeld of Maryland, was an overnight guest of Keith Schram last Wednesday evening. The Dr. Carl Marientfeld family arrived last Monday visiting various families during the 3 days. One night they were guests of Dr. and Mrs. I. Rudman and another of Dr. and Mrs. Claude Otto. On Thursday they left for home.

The Youth group met Sunday evening at the Good Shepherd church with the Rev. Adolph Ulrich giving the devotion. Refreshments were served by Barbara Uthe and Robert Novota.

Family Fellowship night beginning with a potluck supper at 6:30 p.m. will be held Sunday at the Methodist church.

Entertainment following the supper will be at 7:45 p.m. It will be the Kendall College choir, who will be guests at the supper.

PTA News

Tinley Park Unit

The monthly PTA executive board meeting was held Monday, April 6, to make the final arrangements for the regular PTA meeting to be held Friday April 10 in the Central school at 8 p.m.

The program is entitled "Let's Learn About Mental Health" with Dr. John Cutler as guest speaker. Refreshments are to be served by the second grade mothers and the bake sale will be by the 7th grade mothers.

The next meeting of the "Child Discussion Group" will be held April 14 in the Central school at 8 p.m. "Laws Children Ought to Know" will be the topic for the evening. Everyone is invited to attend and take part in the general discussion following the meeting.

Orland Park Unit

The regular monthly meeting of the Orland Park Parent Teacher association was held in the Orland Park school Wednesday evening, April 1. Mrs. Gordon Bendix, president, presided.

Roger Sedgwick reported on the caucus.

Mrs. Franklin Loebe, program chairman, introduced Ivo Mersman, who spoke on the subject "Do You Know Why It Is Difficult to Understand Your Child?" The pitch of his talk was that children are not miniature adults.

A social hour followed, with refreshments served by the fourth, fifth grade room mothers and their committee.

On Friday, April 10, the PTA will sponsor a roller skating party in the grade school gym with the usual two sessions of skating—6:30 to 7:50 p.m. and 8:10 to 9:30 p.m. Skating at your own risk, 50c per session for skating. The eighth grade room parents will serve as chaperones.

"It is easier to believe a lie than one has heard a thousand times than to believe a fact that one has never heard before,"—Robert Lynd.

"It's nice to be able to make both ends meet, but it's nicer if they overlap a little,"—Marjorie Johnson.

for them. The program for the meeting will be in charge of the missionary department.

Mr. and Mrs. Ralph Nieland and daughters and Mr. and Mrs. Walter Pfaff attended the dog show at the amphitheatre in Chicago Saturday night.

Improvements Enhance Home Values and Livability

32 Million Families Want to Modernize

By DON MOORE
Executive Director,
Home Improvement Council

A number of research studies have shown that many millions of American homeowners are aware that their homes are less modern, less spacious or less attractive than they should be. One study, in fact, indicated that 32 million families want some kind of home modernization project.

If you are among that group, it will not surprise you to learn that the most common question among all such home owners is this:

"How can I decide whether we'd be better off to improve our present home or to get another one . . . in other words, when is it worth while to remodel and when is it not?"

Obviously, there can be no universal answer to such a broad question; the decision of each family depends on many factors that are peculiar to that family and to the particular house in question. However, suggestions on how to arrive at the right decision have been devised by the Home Improvement Council—a national organization of manufacturers, dealers, contractors and others interested in the modernization field. The Council's basic purpose is to make the nation's home owners aware of the fact that almost any existing home can be made completely up-to-date with an investment far smaller than that required in building a comparable new home.

How to Decide

Here are some pointers offered by the Council: In deciding whether or not to modernize your home, the first step is to determine as closely as possible the exact cost of the planned project. If it is an extensive project, this step should involve estimates from several dealer contractors or dealers.

Then, add the cost of the project to the total of your

previous investment in the home (including present mortgage debt) and look around in your community to find out what your new total investment would buy in the new home market.

You will probably find in this investigation that you will be providing your family with a great deal more space per dollar than modernization.

Another important consideration is the question of how much this new investment will add to the total worth of your home. In most sound modernization projects, the cost is more than offset by the home's increased value.

"Money in the Bank"

In fact, the Council has observed that a family's expenditure for home improvement is more like an investment—more like "money in the bank"—than any other possible purchase. Your banker will more than likely be happy to give you his opinion on your proposed project in investment terms.

Often, however, economic considerations are over-emphasized at the expense of equally important factors of sentiment, convenience, and comfort. If you are likely to remain in your present location for a number of years, there is no need to limit your modernization plans just to those that can be considered a sensible investment.

A Home Is to Live In

A home after all is to live in and enjoy. If it is to be a family's home for years to come, then the modern conveniences that it offers, its appearance, and its facilities for providing further recreational needs of every member of the family are just as important as financial factors.

Also, on the side of sentiment you will want to think about the neighborhood. If you live in an established home you will probably live near established schools, churches, shopping facilities, playgrounds and the other amenities

OUTDOOR LIVING can be enjoyed beside a luxurious pool (above) or in a few chairs on the lawn (right). The reinforced concrete pool is lighted softly at night with one of the new gas-burning steel post lanterns. The poolside furniture is "wrought iron" (steel rod) and tubular steel. The lawn furniture, right, is light, strong and gaily covered. Metal gives the furniture the strength and rigidity to withstand hard use, outdoor exposure and repeated folding and unfolding.

ities new areas frequently lack.

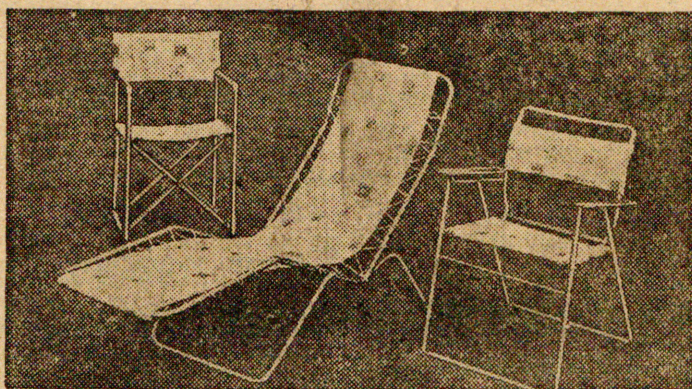

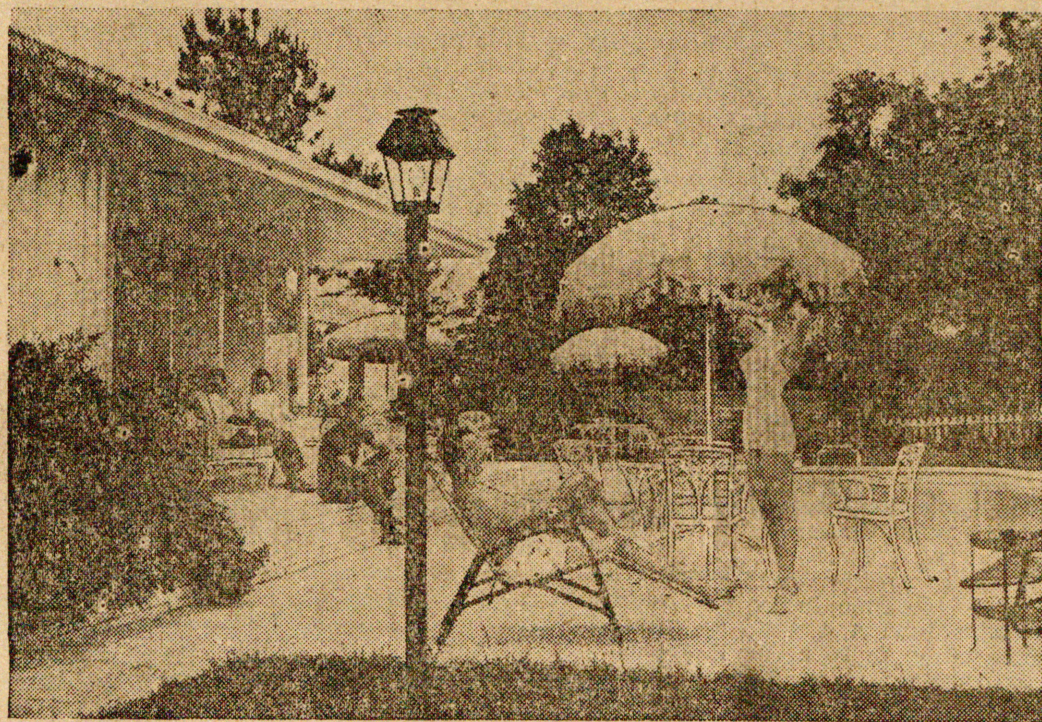

You, perhaps especially your children, will want to go beyond these circumstances of the neighborhood in your thinking and consider the neighbors as well. Established friendships are another factor that must be considered in determining whether or not it is worthwhile to modernize your existing home.

If, like most families, yours includes individuals who must travel to work and school, you will also want to weigh carefully the relative convenience of your existing home's location. If a new home "further

out" will add to travel time and expense, that must be also taken into consideration.

Some homes are beyond modernizing, of course. If there are indications of serious structural defects, it would be advisable to obtain the opinions of building professionals to add to your own assessment of the situation. An architect, a builder or a contractor can provide valuable advice.

STEEL BASEMENT DOOR from lumber or building supply dealer allows homeowner to replace old hatchway in four hours.

Low Cost Loans Now Available

By NORMAN STRUNK
Executive Vice President,
United States Savings and Loan League

Home owners who improve their property thru modernization, expansion, repair, or replacement of worn out equipment not only improve the "livability" of their homes, but also add to their economic value.

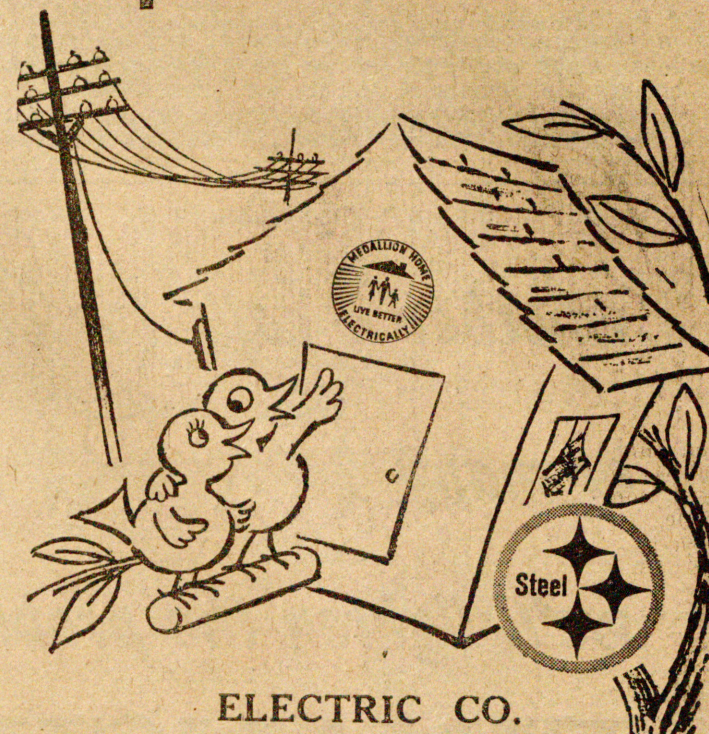

For in addition to added family comfort, convenience, and overall happiness, a wise and well planned property improvement generally raises the present and future value of the home. It thus represents a sound investment, and a hedge against the possibility of further inflation.

Accordingly, the nation's 6,200 savings and loan associations, which are the largest single source of home mortgage funds, (currently financing 40 per cent of all homes built or sold in this country), are giving their full support to current national programs to better the 20 per cent of American homes that are in need of repair and improvement and to bring up to date the 50 per cent of American homes that are over 30 years old.

Not only have savings associations set aside an ample supply of funds for financing property improvements, but they are ready and able to render assistance in planning the improvement, and in helping the home owner find reliable contractors to do the work.

Articles and plans detailing the proper methods for repairing, modernizing or expanding a home are available as never before. In addition, building supply dealers and contractors are offering new materials and "package" improvements at special rates.

L-P Gas Boon to Country Residents

A symbol of farm modernity is the familiar cigar-shaped steel LP-gas bulk tank — a common sight on the nation's farms from coast to coast.

It identifies a farm as a place where liquified petroleum gas is being used for a variety of household and farm applications. Many modern farm homes are equipped with central LP-gas heating and air conditioning systems,

built-in ranges, automatic fast recovery water heaters, refrigerators, clothes dryers, and smokeless and odorless incinerators.

The same fuel is used on farms to power tractors and trucks, dry crops, brood chicks and pigs, heat stock water, burn weeds, pump irrigation water, cut metal, heat water for cleaning stainless

steel pipe line milking systems, ripen fruit, cure tobacco, and for a variety of other practical and time-saving applications.

One of the fastest growing farm uses is crop drying. Agricultural experimentation stations have reported that mechanical drying provides one of the best crop guarantees available to farmers.

Improvements Do Much to Lighten Work on Farm

Home improvement means farm improvement too. There's a wonderful world of better and more prosperous farming available with little effort and surprisingly low cost.

Farm supply houses have an almost endless variety of products especially designed to make life on the farm easier and a lot more profitable. And today there are important improvements in virtually all of the tools of farming, from the biggest to the most humble.

With many farms expanding and diversifying their operations, there's a growing need for specialized buildings. Packaged galvanized steel buildings — available in a range of sizes from a 4 x 6 foot tool house up to 20 x 60 feet — offer the important advantages of being weather-proof, fire resistant and termite proof.

Another advantage is that the packaged buildings can be erected by the farmer himself without special tools. Steel roofing and siding also are sold for application to conventional farming.

Keeping out winter wind and snow is only part of the steel building's job. Protection from heat is important also. Farm profits can go up in summer haze if livestock, poultry and stored crops are not safeguarded from excessive heat.

New research has shown that summer temperatures above 75 degrees can cause appreciable losses without cool shade. For heat protection the right roofing material is all important. Experiments at a large midwestern state college have established that white painted galvanized steel sheets provide the lowest temperatures for farm buildings and shelters. This showed up clearly in a comparative study of nine common roofing materials.

There's not time like spring time to make plans for additional irrigation systems. New fittings and couplings for steel pipe and culvert make it even easier to provide proper water and drainage control.

NEW CLOSET DOORS

Bi-fold closet doors that open full width are now obtainable in steel. The steel doors will not warp or shrink and require no dirt catching floor track.

Explain Ways to Finance Home Improvements

Almost any major home improvement is going to require some kind of financing. Projects such as adding a room, finishing off an attic or making a recreation room in the basement generally cannot be financed solely out of pocket money.

Following are six ways to finance home improvements:

1. The bank (and other lending institutions). With the necessary security in your monthly income, property, insurance or stocks and bonds, you can obtain a loan.

2. Time payment plan. You can often arrange time payments thru the dealer, contractor or a financial institution.

3. Refinanced mortgage. Often a homeowner who has some of his mortgage paid off can refinance it to include an advance for the new improvement.

4. Open-end mortgages with no increase in payment. The mortgage holder advances the cost of the project and tacks it on to the unpaid balance of the mortgage. The term of the mortgage is extended to cover repayment of the increased amount.

5. Open-end mortgage with

no increase in time. Monthly payments are increased to pay off the additional loan within the original mortgage period.

6. FHA Title I. You can borrow up to \$3,500 under this act from private lending institutions. Certain improvements — such as swimming

pools and floor coverings — may not be eligible.

There are other ways of borrowing money, of course. You may belong to a credit union. You can also obtain loans on insurance policies

and bank savings account books.

Financial institutions in your community are ready to offer you valuable advice on the type of loan best suited to your needs.

TINLEY PARK SAVINGS AND LOAN

Fix Up Those Cellar Hatches

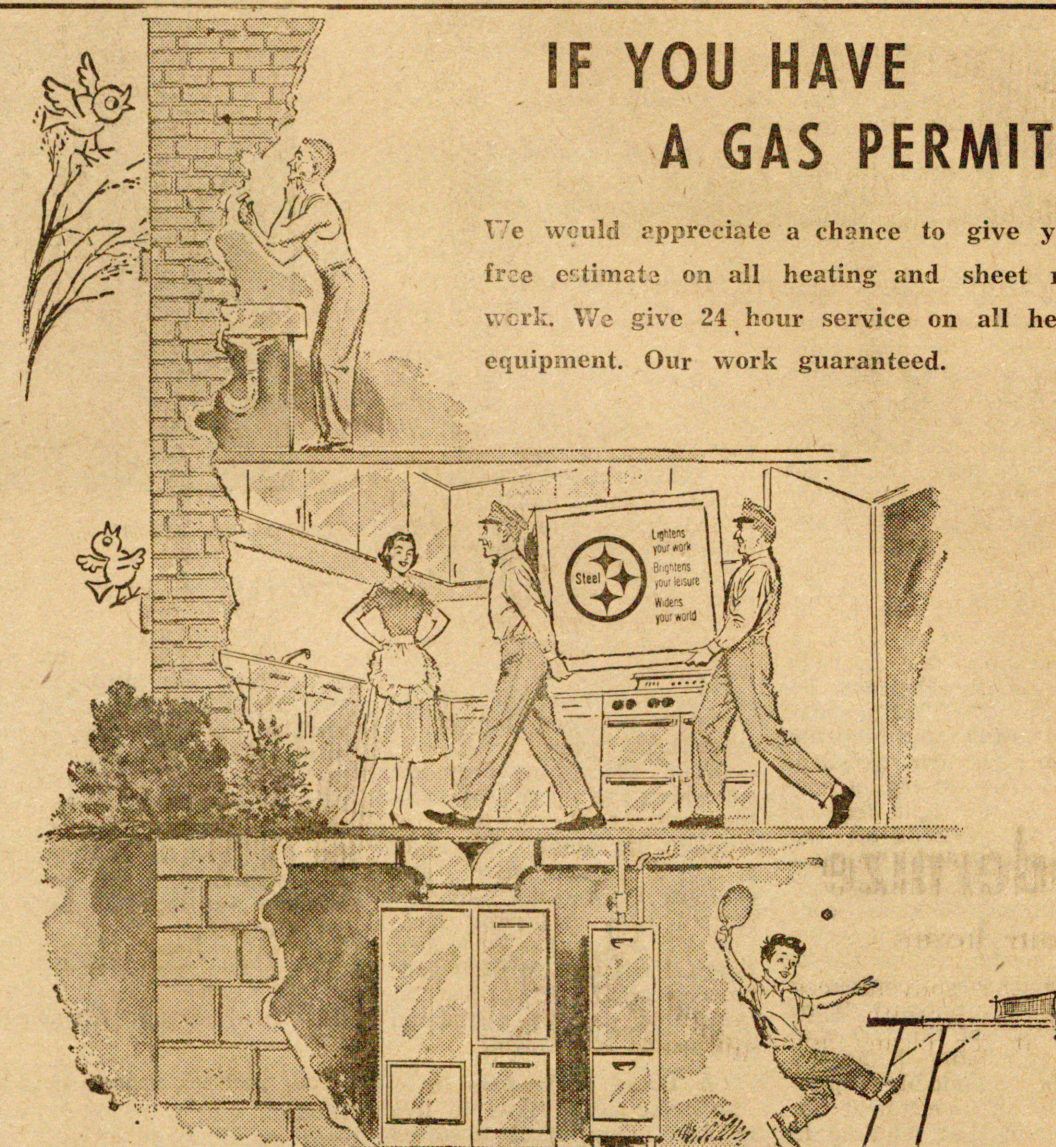

Sliding down the cellar door is a fond childhood memory for many homeowners.

Hauling coal in and ashes out was the purpose of these entrances. With the growing popularity of other fuels many houses built in the past 25 years lack direct outside access from the basement.

This is a mistake, according to home architect Herman H. York. In the typical one-story house, he points out, the basement has about as much floor space as the main floor. This provides badly-needed storage space, as well as plenty of room for a playroom, workshop or darkroom.

The full value of this space will never be realized, however, unless there is direct access to outdoors.

Putting in a basement exit is not difficult. Contractors can break thru the foundation in an hour with power tools. A set of steps and a permanent steel hatchway complete the job.

Right Tools Ease Tasks

Do-it-yourself can take care of some important home improvements. Even the householder just so-so with tools is in for some pleasant surprises when he learns what can be done with a few tools and easy-to-use materials.

Some jobs of course call for very special skills, and a few, such as electrical work and plumbing, can be downright dangerous if not done by experts. But there is an almost endless list of projects which can be easily be accomplished by the homeowner himself.

These can range from putting up drapery and curtain rods to adding a patio, or a packaged steel garage or tool shed.

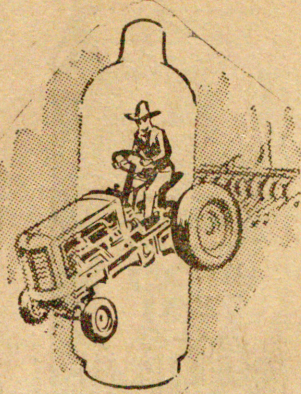

L.P. GAS

the clean, convenient, thrifty fuel

POWER

your farm machines

L.P. Gas will do a BIG job on your farm at small cost. Use this safe, clean fuel to power tractors and other machines, operate brooders, heat stock tanks, dehydrate grain and other crops. Save time, labor, money!

Modernize

your home

7 PROVEN FACTS

that will help you make the best mattress buy!

FACT 1

MORE PEOPLE SLEEP ON BEAUTYREST THAN ON ANY OTHER MATTRESS! So when you buy Beautyrest you know you're getting the mattress that has proven itself best for comfort and rest. In other mattresses springs sag together under your weight. Each Beautyrest spring works separately, independently from every other one.

FACT 2

ONLY BEAUTYREST HAS SEPARATE BACK SUPPORTING SPRINGS THAT PUSH UP IN THE SMALL OF YOUR BACK. This is the kind of restful support that is designed to end backache. Only Beautyrest has separate springs to fit the curve of your back. And because it has buoyant firmness, Beautyrest will not rob you of comfort and sleep—as do so many so-called posture mattresses.

FACT 3

IN A SERIES OF DURABILITY TESTS BEAUTYREST WAS PROVEN TO LAST 3 TIMES AS LONG AS THE NEXT BEST MATTRESS TESTED BY THE UNITED STATES TESTING COMPANY. So if you're out to save money, it pays to insist on longer-lasting Beautyrest. In the long run, the best actually costs the least. Important to know with many so-called "Bargain buys" on the market today.

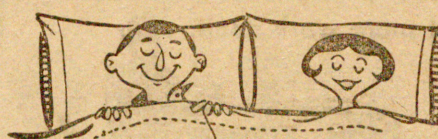

FACT 4

IN 60,000,000 SLEEP RECORDINGS MADE UNDER THE SUPERVISION OF THE SLEEP RESEARCH FOUNDATION, BEAUTYREST WAS PROVEN TO GIVE MORE DEEP SLEEP THAN ANY OF THE OTHER LEADING MATTRESSES TESTED. The more deep sleep you get, the more refreshed you are in the morning. That's why, when you buy Beautyrest—you're assured of maximum healthful rest.

FACT 5

ONLY BEAUTYREST GIVES SINGLE-BED COMFORT IN A DOUBLE BED BECAUSE ONLY BEAUTYREST HAS SEPARATE SPRINGS FOR EACH SLEEPER! Beautyrest's springs are separate and independent. Press down on one Beautyrest spring and others are not affected. No rolling together. The heaviest husband cannot disturb his wife's rest.

FACT 6

THE PRESIDENT OF SHERATON HOTELS SAYS: "With 49 of America's leading hotels, we pride ourselves on hospitality and comfort. Beautyrest is the only mattress we now buy". And Beautyrest is the only mattress that has passed the minimum performance standards of the American Hotel Association.

FACT 7

BEAUTYREST PROTECTS YOU, THE SHOPPER. As stated by Grant Simmons, Jr., President of Simmons Company: "Beautyrest is never offered with an artificial, inflated list price. Others do this continually. The Advertised price is slashed down to the actual price of the mattress as a 'come-on'. Beautyrest always means what it says—and it gives you \$79.50 value for \$79.50!"

Try a Beautyrest in
Your Own Home
at Our Risk

Sleep on it for 30 nights. If you're not convinced it's the finest mattress you ever owned, your guest trial won't cost a single cent. Come in today, arrange to be our guest for 30 nights of buoyant, heavenly sleeping. Full or twin size, comfort on a Beautyrest mattress, made only by Simmons. **\$79.50**

Country Club Hills

Junior Chamber of Commerce Hopes to Get Charter by June 1

By EVELYN VAN HORN
Sycamore 8-8921

The newly formed Country Club Hills Junior Chamber of Commerce, as yet unchartered, is looking forward to June 1, when it hopes to get its charter. The officers are Cliff Arehart, acting chairman and Russ Alsip, acting secretary. They hope to bring the membership to 120 before the club is chartered. The minimum number of members of a chartered club is 15. Many of the members have gained experience in Homewood Junior Chamber of Commerce.

The Country Club Hills Jaycees first community project was the sponsoring of "Candidates Night" held Tuesday evening, April 7 at Sanger hall. The organization is primarily concerned with benefiting the community.

Anyone between the ages of 21 and 31, interested in working in the community for the community thru the Junior Chamber of Commerce, is invited to contact Cliff Arehart or Russ Alsip.

The bake sale held Saturday in Unit II netted the Woman's Auxiliary of the fire department around \$62. This series of bake sales is being held to raise the \$400 needed to buy helmets, pairs of boots and coats. The next sale will be held in Unit III but a date has not been set.

Women's Club
The Women's club met Wednesday, April 1 at Central school. Supt. Zenon Sykuta and William Hastings, president of the school board, were guest speakers and discussed the forthcoming referendum on April 11.

Another highlight of the meeting was the concert given by the children from the Garretto's School of Music. Mrs. John Hennessey, Mrs. Norman Million, Mrs. Glen Thacker were in charge of refreshments.

Next month's meeting promises to be an interesting and delightful one in the form of a fashion show. Dresses and sport clothes will be featured.

United Christian Church
A vacation church school institute is being held in the First Methodist church in Chicago Heights on Friday, April 10. Several of the members of the church hope to attend in preparation for the Vacation School which will be held by the United Christian church in August. Anyone interested in attending is welcome. The institute will be held from 9 a. m. until 3:15 p.m.

The executive committee of the United Christian church decided to continue the fellowship suppers on an every-other month basis after the April 19 supper. Plans were

Eight Members of Family Group Are Sworn in as New Citizens

(CNS) Although a small country, Denmark provided over five per cent of the 156 new citizens sworn in this week before U. S. District Judge Joseph Sam Perry. And all eight Danes were related members of the Kruse and Lustrup families of Forest Park and Orland Park.

The Lustrups of Orland Park are Henning Christian Lustrup, 32 years old, 10268 Hawthorn, Orland Park, an electrician, and his wife, Karen 27. They have two children. Mrs. Lustrup was a Kruse before their marriage in 1951. They arrived April 16, 1951, the first of the clan.

The Kruses, all of Forest Park, are: Aksel Hartvig Vilhelm, 56 years old, 301 Elgin, and his wife Dagny Ingeborg, 53, parents of the other Kruses. They arrived last on Dec. 7, 1953. He is a meat cutter. Aksel Hartvig Kruse, 33 years old, 1027 Circle, another electrician, and his wife, Jytte

Vendelbo, 30, who arrived May 29, 1953.

Henning Vilhelm Kruse, 34, 837 Marengo, and his wife Ebba, 29. They have two children and arrived Oct. 18, 1952. Henning is the third electrician in the family.

Another thing both families have in common is that they were all born in Aarhus, on the Jutland peninsula in Denmark.

Two Tinley residents are also among the new citizens, Mathias Becker, 6942 W. 171st street, a painter who came here from Rumania, and Mrs. Ingrid Johanna Elizabeth Stone, 16716 Forest View dr., a native of Germany.

veral skits were presented with the theme in mind. These were done with puppets made by the boys. Den 1 presented the "Legend of the Big Red Fox." Den 2 followed with Aesop's fable "The Hunter and the Hunted." Den 3 presented "Mounties Always Get Their Man" and Den 4 gave "Renegade of the Royal Mounted Police." Den 7 presented "Case of the Missing Purse."

The honor den for the best project and play was Den 7. Den 4 received the award for the best appearance and attendance.

William Korner, the scout master for the Boy Scouts presented Joe Timmerman with his Scout neckerchief to mark his advancement into the Boy Scouts.

The boys receiving awards were as follows: Den 1, Harold Blackwell, Wolf badge; Frank Formas, year pin and perfect attendance pins; John Hennessey, Gold Arrow, Reggie Jones, Bear badge; Dave Kelley, gold arrow and 2 silver arrows. Den 2, Bill Langmeyer, year pin; Ralph Wroblewski, gold and silver arrows, Bill Ransey, Wolf badge and gold arrow. Den 3, Jeff Segin, gold arrow. Den 4, John Avina, gold and silver arrows, Gregg Koehn, Denner, Dave Rich, assistant denner, Den 5, Peter Cooper, Denner; Greg Jones, silver arrow, Mike Palumbo, Lion, Dan Simon assistant denner.

Persons
A baby girl, Linda Louise, 5 lbs. 2 oz. was born to Mr. and Mrs. Edward McPherson, 18221 Anthony, March 23 at Chicago Lying in hospital. Mrs. Donald Schwenk, 17841 Baker, entertained at bridge on Tuesday March 31. Mrs. Charles White, Mrs. Fred Wedderspoon, Mrs. James Nally, Mrs. Don Hopfensperger, Mrs. James Irvin, Mrs. Charles Van

GIRL SCOUTS

Girl Scout Troup 507

An overnight campout was enjoyed by 20 girls of Troop 507 Wednesday and Thursday of last week at Camp Thorn Creek. In spite of the weather the girls were able to carry out their program successfully. Some of the girls worked on badges. A very interesting trip was reported by all.

Mrs. Lillian Zawadzki is the leader, Mrs. Lee Mancel, co-leader, Mrs. Ava Funk, camp-

weighed 4 lbs. 7 oz. Mrs. Baader and baby John are at home doing fine. As soon as Mark gains more weight he will be home also.

Mr. and Mrs. Jack Ducher, Zurich, Switzerland, are visiting their son and daughter in law, Mr. and Mrs. Roger Chavanne, 17851 Baker, Mr. and Mrs. Ducher arrived by plane from Switzerland Thursday and plan on visiting for a month or two. Mr. Ducher, an architect is very interested in seeing how American homes are built. It seems in Switzerland there is not enough land for everyone to own a home as homes are very costly and quite impossible for the average wage earner to acquire, so Mr. Ducher feels Americans are quite lucky as everyone has the opportunity to buy a home. Mr. and Mrs. Chavanne plan on showing their parents Chicago. Mrs. Ducher plans on flying to Copenhagen, Denmark after her visit here, to visit another son.

er, Mrs. Florence VerWey first aid. Much of the success of the campout was due to the help of the mothers who so graciously assisted by furnishing transportation.

WE ARE SORRY

The name of a candidate for trustee in the Tinley Park municipal election, has been incorrectly stated as Robert Bannes in the Tinley Park Times, for which we apologize. His name is John Bannes and he lives at 17323 Oconto ave. He is a candidate for village trustee for a full four year term.

A PLACE FOR SHOES

Shoes can be vexing items to store in a regular closet. The solution is their own decorative steel cabinet.

The cabinet keeps 14 pairs of women's or 10 pairs of men's shoes dust free.

It moves on casters and can serve as a night stand. A baked enamel finish comes in several colors.

You'll put more "GO" into ROW CROP FARMING with Ford SELECT-O-SPEED

Select-O-Speed permits finger-tip clutchless shifting throughout entire range of 10 forward, 2 reverse speeds while on-the-go and under load! You'll save a lot of time-wasting stops, get a lot more work done.

Yes, shift up or down with a touch of the finger to match pull-power and speed exactly, instantly, to changing field or crop conditions. And with completely independent PTO, you can engage and disengage the PTO shaft while on-the-go... all for the easiest, most efficient tractor performance you've ever seen.

STOP IN — see and drive a new Ford Select-O-Speed Tractor!

Business and Finance

By MAURICE P. ANGLAND

Inflation and its effects and suggested controls, are now very much in the news again. This, at a time when the price level has been rather stationary.

Erosion of the value of a monetary unit since the first such monetary unit came into being, has been going on at a greater or lesser speed depending on the actions of each country in matters that have to do with the value of their currency as expressed in their price structure. The USA is among the half dozen countries with the least depreciation of its monetary unit.

As has been expected Congress has expressed being very much against any action which would foster further inflationary pressures. However, their verbal expressions are at considerable variance to their actions. For a number of years there were a few die hards who fought for and hoped we would pay off a part of the national debt during periods of good business, but now even the more optimistic limit their hopes to being able to avoid increasing the debt.

The debt ceiling has been raised on the "direct" debt of the country and likely will be raised again. It appears that the 1960 budget will exceed the total income by something close to \$2 billion. There seems to be no legal ceiling on the amount of the nations "indirect" debt which would include all the various funds in which the nation is the guarantor of principal and interest.

We have been at war since the end of World War II and altho known as the "Cold War," it is very expensive and defeat in this cold war could be just as disastrous as defeat in a shooting war. A shooting war has its dramatic and theatrical aspects with creation of situations and personal heroes, that the public can understand. The cold war is

By WILLIAM F. WHITESIDE

Asst. Cook Co. Farm Adviser

Demonstration plots are one of the better ways to pass on information about crop varieties or cultural practices. We are planning several such plots this year. Already in the process, are smut control plots in onion sets. These will be on the farms of Judd Dahlenburg and William DeGraff of South Holland. A demonstration to show control of soil borne diseases will be set up on the C. J. Rietveld farm in South Holland. Other demonstrations being planned are: onion maggot control, oat varieties, and soybean varieties.

There is still time to apply a dormant spray to fruit trees for the control of San Jose and Forbes scale, and several insect pests. The formulation contains Dinitro compounds and should be used according to

fought by scientists in the field of economics and geography and effects on world political patterns. The public generally does not understand as the total picture is beyond their comprehension. As with most of life, we distrust what we do not understand.

Countries of western Europe and ourselves, are governed by men who are popularly elected officials and therefore responsive to general political climate.

Russia has no popular government and its move, therefore, can be fast and even without pattern or apparent logic normal to popular government. As a result, our defense budget is made in Moscow rather than Washington. By the very nature of our government, we cannot be the aggressor even where desirable, but must make our moves to checkmate those of Moscow. It is likely this condition will continue for years. The stock market does not respond to Russian moves as it once did. We have simply learned to live with this situation.

Wages and labor benefits being a large part of production costs, are quickly reflected in the price structure. Regardless of their personal attitudes, heads of the large unions are prisoners of their own power and must continue higher and higher demands or lose their

instructions on the label. Dinitro compounds must be used before green tips begin to show on the buds.

Dwarf corn hybrids still lag behind normal hybrids in yield, to the tune of about 12 to 15%. The dwarfs do show superior standing ability and can tolerate heavy planting rates. Harvesting dwarf corn with present machinery still poses many problems.

There are several new 4 H projects which may be of interest to boys and girls in the South Cook area. They are: Dog Husbandry, Horsemanship and Indoor Gardening. For more information about 4H Club work, contact Wm. F. Whiteside, Asst. Farm Adviser, South Street & 66th Court, Tinley Park. Phone KELlogg

power to less cautious leaders. For the above and other reasons, large aggregates of investment funds are increasing their holdings of common stock to protect the purchasing value of their funds.

PTA Districts Hold Combined Meeting April 10

A cooperative legislation meeting on "Know Your School Problems" will be held in the Oak Lawn Community High School by PTA district 123 at 8 pm. Friday, April 10, in cooperation with PTA's of districts 122, 229, 111, 231, and 124 and their respective superintendents of schools.

The honored guests will be Senators Frank Ozinga and Arthur W. Sprague, and Representatives Harold Hoover,

2-4374.

Begin the spring season right by cleaning electric motors. They need room to breathe in warm weather. Always check to see whether they need lubricating.

Check all ground rod connections to make sure they will give lightning protection this spring and summer. This applies to all electrical grounds whether they are for radio, lightning rods, TV antenna or the electrical wiring system.

Ask at your farm adviser's office for a copy of the leaflet "1959 Beef Cattle Feeding Suggestions." It contains the latest information on developments in beef cattle feeding, such as stilbestrol, antibiotics, urea etc.

Terrell E. Clarke, and Anthony Scariano.

The topics to be discussed are: 1. Common school fund, increased appropriations, A.D. A. Requirements, Sources of Revenue; 2. State Board of Education; 3. Admittance Date; 4. Education for Gifted; 5. Compulsory School Age attendance; 6. Driver's license age; 7. Convention spending; 8. Question and answer period. Mrs. Richard Barz, 10048 S. Cicero ave., Oak Lawn, GA 2-3653, is chairman.

Robert Hoffman Wins Full Year Tuition Scholarship to De Paul

Robert Hoffman of 16865 Willow Lane, has been awarded a one year full tuition scholarship to DePaul university, Chicago.

He was one of 15 high school seniors from Chicago and suburban high schools to be so rewarded out of the more than 500 who sought the grants through competitive examinations given at DePaul in February.

Each scholarship may be renewed through the second, third and fourth years of undergraduate study if the winner maintains a prescribed high average.

Hoffman, who is a student at Chicago's Leo High school, placed third in the liberal arts examination, which was taken by about 300 youngsters.

Mrs. Albert Bettenhausen, 18041 Harlem ave., returned home March 27, where she is convalescing, after undergoing treatment in Hazel Crest hospital.

As Johnny Rayson was 10 years old March 28, his mother, Mrs. Leland Rayson entertained 12 little boys in their home in his honor. The feature of the afternoon was an Easter egg hunt. Refreshments were served.

Mrs. Harold Peterson has returned home after attending the funeral March 25, of her aunt, Mrs. Hattie Anderson at Ashkum.

Mr. and Mrs. Charles F. Albright of Hastings, Mich. were guests at the home of their son, Charles E. Albright for several days last week.

Mr. and Mrs. Campbell Lively were dinner guests of their daughter Mrs. Clarence DeVal, 168th and Harlem ave. last week.

Mr. and Mrs. Wilfred Lindert are leaving Saturday for Cambodia, Wis., where they will spend a few days with his parents Mr. and Mrs. Fred Lindert.

Mr. and Mrs. Arthur B. Smith returned March 31 after spending two weeks vacation in St. Petersburg, Fla., where they were guests of his brother, John Smith. While in Florida the Smiths visited Miami Beach.

Mrs. Ray Turner and family were guests at the Theo. C. Lauterbach home March 31. The occasion was to help Teddy Lauterbach celebrate his 12th birthday.

James Miller, son of Mr. and Mrs. Frank Miller, 17043 New England ave., has returned from a five day trip to Washington D. C. James is a student at Steve Quigley Seminary in Chicago. The 106 young men who made the trip visited the many historical places of interest and the Catholic Un-

iversity, Franciscan Monastery and the Church of Immaculate Conception. Four teachers from the seminary accompanied the students.

Mr. and Mrs. Henry Nolte entertained as dinner guests on Sunday, Mr. and Mrs. Al Hardwick and son George of Cedar Lake, Ind., Hans Kenall of Chicago and Mrs. Doris Barrowcliff and daughter Nancy.

Tuesday luncheon guests with Mrs. Dallas Webster Jr. were Mrs. James Marshall, Rosemary Sheedy, Martha Gordon all of Seneca and Mrs. Merrill Osmond of LaGrange Park.

Mr. and Mrs. Edward Cook were Sunday dinner guests of Mr. and Mrs. Thomas Edmundson in Chicago.

Mr. and Mrs. Thomas Franklin and daughter Joyce have returned from a ten day vacation spent with friends and relatives in Missouri and Kentucky.

Mr. and Mrs. P. L. Jochum and daughters and Mrs. J. L. Jochum of Blue Island motored to Michigan City, Ind., where they were Sunday guests of Mr. and Mrs. Ludwig Lischer.

Mr. and Mrs. Robert Raines and sons, and Mrs. Mable Raines, were among the guests entertained at a family dinner given at the home of Mr. and Mrs. Roland Staschke of Chicago. Other guests were Mr. and Mrs. O. B. Proehl and family, and Mr. and Mrs. Lewis Weber of Chicago.

Mrs. Greta Bingham and children, and Marie Kitchen, were luncheon guests at the home of Mrs. Cora Douglas Wednesday, April 1.

Army Specialist Four

Donald G. Williams, son of Mr. and Mrs. Omer Williams, 7400 W. 183rd st., recently was named Enlisted Aide for a Day to the commander of the 1st Infantry Division's 7th Transportation Battalion for the eighth consecutive time at Fort Riley, Kan.

A light truck driver in the battalion's Company A, he was selected for his soldierly appearance, knowledge of duties and military courtesy.

Specialist Williams entered the Army in August 1957 and received basic combat training at Fort Gordon, Ga.

The 24 year old soldier attended Benton Township High school.

Sunday dinner guests at the Dallas Webster Sr. home were their family, the Ken Websters and the Dallas Websters Jr. and their daughter Amy.

Intermediate MYF of Tinley Methodist church is planning a splash party for April 10 at Thornton Township High school pool. Reservations for the affair should be made in advance by calling KE 2-2960 or KE 2-2481.

Senior MYF of the Methodist church are planning a hayride for Saturday evening, April 11. Members may bring guests. Reservations for this evening's fun should be made by calling KE 2-2710. Nominal fee will cover refreshments following hayride.

William F. Polster, engine-

man first class, USN, son of Mr. and Mrs. William A. Polster of 17211 Oak Park ave., and husband of the former Miss Mary E. Galik of Highland, Ind., is serving aboard the troop transport USS Navarro operating with the U. S. Seventh Fleet in the Western Pacific.

The Navarro left Yokosuka, Japan for Okinawa on March 18 as part of a four month training tour with other units of the Fleet.

A unit of Amphibious Squadron Seven, the vessel is scheduled to return to its home port, Long Beach, Calif., on June 11.

Mrs. Roy Teutemacher is still hospitalized at St. Francis in Blue Island following the birth of young William Bernard. Complications have necessitated several blood transfusions. It is hoped she will be able to come home this week-end.

William Dean Pettit was the name given the infant son of Mr. and Mrs. Dean Pettit of 17141 Overhill drive at the 9:30 worship service of the Methodist church with Rev. Kenneth Crandall officiating.

A surprise birthday dinner was given for Mrs. Lillian Hughes by her grandchildren, Susan, Shirley and Nicholas Schullen at the Schullen home Saturday evening. Guests were

Could Use Aid Building Sewers

The population growth already experienced in the Southwest Suburban area, plus the shadows of the growth to come, has created many problems.

Some can be solved by careful, constructive thinking and co-ordinated action. Other solutions require large expenditures of money as well as concerted effort and thinking. And high on the list in the latter category is sewage disposal.

With populations doubling and trebling in some communities in the past decade, the use of septic tanks as disposals of sanitary wastes is as obsolete as the back-lot cubicle, complete with wasp nest, mail order catalog and a crescent-shaped aperture in the door. Septic tanks were never intended to serve congested neighborhoods. In such locales they become a menace to public health, as well as a source of trouble and expense to the householder.

The trend now is to require large subdivisions, built in what was regarded as farming country, to put in sewers and sewage treatment plants. Many municipalities that have master land-use plans on record, and, therefore, jurisdiction over land development within a mile and a half radius of their limits, have adopted ordinances making sewers and sewage treatment mandatory in such subdivisions.

The Illinois department of public health, of which the Sanitary Water Board is a division, is getting more and more demanding in restricting careless disposal of sanitary wastes. Laws have been passed to prohibit the release of raw sewage into streams or roadside ditches and the state is beginning to show signs of enforcing them. Other agencies also are taking a hand. The Federal Housing Administration, for example, has cut off loans at Tinley Park because of lack of a central sewer system there.

There is no dispute about the need and importance of sewers to a community. Residents and officials alike in communities without sewers agree they are necessary and would like to have them. They may differ as to the locations of, and the methods of financing such improvements but not as to need.

The principal difficulty lies in the financing. Special assessment bonds may as well be forgotten. They are scarcely marketable and when they are utilized the cost of the improvement is advanced tremendously. General obligation bonds, which are retired thru taxes, are the most practical. But inasmuch as the amount of G.O. bonds issuable is limited to five per cent of the equalized assessed valuations of these new communities are low because of being made up almost wholly of residential property. Such issues are not sufficient in themselves.

Therefore, the present day method followed in most communities is to issue

as many G.O. bonds as possible and then fall back on revenue bonds for the remainder of the amount needed. As the term implies, revenue bonds are those retired from the earnings of the project they are employed to build.

In the case of sewers, revenue bonds are retired thru the sale of water and sewer service.

Purchasers of revenue bonds, however, do not want them if the payments are so high that a municipality may have trouble collecting them. Most bond houses won't take sewer revenue bonds if the minimum combined rate is as high as \$7 a month, it was learned from persons in that field.

Most communities can finance their own water and sewer systems but there are some that can't. The cost is too prohibitive. New Lenox furnishes a case in point. The officials of that village had plans drafted for a sewer and water system. Because there is so much rock near the surface at New Lenox, the engineers explained at the time, the excavating costs would run very high. The cost of the combined system was estimated at around \$2 millions. No bond house would consider buying revenue bonds under such circumstances since it was figured that the minimum cost per householder would have been \$16 to \$18 a month. That would be prohibitive.

There are other communities in the state in the same boat as New Lenox. The only way such places can hope to make such improvements is thru government help, state or federal.

Those who have read this department from time to time know we are opposed to giveaway programs with Uncle Sam or the state cast in the role of the giver. And we do not propose outright grants to aid communities in installing water and sewer systems.

What we propose is that in instances where funds cannot be obtained elsewhere is for the state government to advance them, as it is now doing in the case of schools, with repayment made out of the earnings of the system over a definite period of years. Thus the state would get back its money and a community would have a sewer and water system.

As in the case of a school district that lacks funds to erect buildings to meet its needs, municipalities getting a state loan to build sewer and water systems would have to issue G.O. bonds to their limits and put that money in the pot.

The money expended by the state in building schools is paid back like rent. And the state does not charge interest, which relieves property owners in the school district of a considerable burden.

We believe a similar program could be carried out in constructing sewer and water systems that could not be financed otherwise.

not to enable one to drive fast, of course, but simply as a safety factor so that if one gets caught behind some mopey driver crawling along at 70 he can pass without being clipped by that guy coming toward him at 80.

The razor makers are increasing the efficiency of their products so one can shave faster. Food makers are putting up packages that enable one to get meals faster, so one can eat faster and get indigestion faster and so take some cure-all that promises fast relief.

All kinds of gadgets are being dreamed up to save time and effort so we have more leisure time in which to rush to and from recreation spots.

More and more folks who take vacation trips are concentrating on how far and fast they travel. They don't have time to stop, look or listen. They can tell you how many miles they drove and how quickly but can't recall seeing anything.

Even the telephone company is speeding up service by replacing city and village names with exchange names so one may eventually dial direct without going thru an operator.

This will mean that geographies will have to be rewritten to include the exchange names as with the place names and map makers will have to come out with new plates.

New Lenox is to become Huxley, Joliet Saratoga, Orland Park is already Fieldbrook; Palos Park, Gibson and Tinley, Kellogg.

If this confuses you, don't develop an inferiority complex over it. It confuses the telephone people too. Sometimes now when one asks an operator for Fieldbrook such-and-such or Kellogg so-and-so, she asks: "Are you calling Orland Park?" or "Are you calling Tinley?"

We hope the postoffice doesn't get any ideas about changing all the place names for numeric codes. Imagine the hassle over what city should be No. 1.

One thing about the telephone company that is entitled to public commendation is that it did not enlist the services of the staff that christens Pullman cars, or the gents that figure out the full names of the miracle drugs.

One might be able to spell them to an operator but to pronounce them would be practically impossible.

One might argue pronunciation is not a problem, that

Your Doctor Reports

THE MODERN HOSPITAL Part II

Last week we discussed some of the general problems which are involved in the operation of a community hospital. Now let us choose a typical patient and examine the events of her hospital stay.

Mary Jones is a 40 year old housewife. She has been having a great deal of stomach pain for the past year because of gall stones and she has decided to follow her physician's advice to have an operation. Wisely Mr. and Mrs. Jones discussed the expense involved beforehand with their doctor. They learned that their hospital insurance will cover almost the entire cost of the hospitalization and a large portion of the surgeon's fee.

Arrangements have been made for Mrs. Jones to enter the hospital on Monday afternoon. The operation will take place Tuesday morning. One result of the great improvements in medical care and surgery has been the considerable shortening of the average hospital stay. Fifteen years ago it was commonplace to admit a patient several days before the day of a major operation.

Many hospitals combine several events during the admitting procedure. The receptionist will obtain the necessary biographical information, following which a laboratory technician will perform the routine blood and urine tests which are done to detect possibly unsuspected medical abnormalities such as anemia or diabetes. For the same reason a chest X-ray will usually be taken.

During the evening before surgery, Mrs. Jones will be visited by a member of the anesthesia department. Nowadays most anesthetics are administered by physicians who have spent three or four years in training for this complicated and vital specialty. The

eventually all exchanges will be dialed but it seems to us that the telephone company would still have operators on tap in case the dials didn't work. Look at what happens when the power windows in a car fail.

While the telephone company is working constantly to speed up and improve service there is one problem that has left its engineers baffled—how to devise a means to shorten calls by teenagers.

anesthetist will discuss the possible choices of anesthesia and explain in general the procedure to be followed in the morning.

About an hour before surgery the nurse will administer an injection which will make Mrs. Jones quite drowsy. By the time she arrives in the operating room she will be dozing and scarcely aware of her surroundings. The anesthesia will be started and shortly thereafter the operation will begin.

Following surgery Mrs. Jones is carefully watched in her room for several hours until she is fully awake. Nurses check her blood pressure and pulse frequently, observe her breathing to be sure it is normal. During this first day Mrs. Jones will be fairly drowsy and not too uncomfortable. With modern anesthesia, there is ordinarily much less nausea or vomiting after surgery than in years past.

The morning after operation, Mrs. Jones will be encouraged to sit up and even walk to a chair, despite the discomfort involved. Early activity has been shown to be the best protection against dangerous blood clots. Although there will be times when considerable pain will be present, the patient will find that the injections given every four hours or so will keep her reasonably comfortable.

Major surgery usually results in partial paralysis of the intestines for a day or two. Until bowel action returns, the patient

is unable to take any nourishment without becoming bloated or nauseated. For this reason the surgeon prescribes intravenous feedings until the patient can begin to drink again. Once the intestines begin to "percolate," the worst is over. Mrs. Jones, by the third day, is beginning to eat and moves around with surprisingly little discomfort.

In five to seven days Mrs. Jones leaves the hospital. She is somewhat weak but can easily take care of her own needs. She is going home almost a week earlier than she would have after the same operation 15 years ago. She is probably unaware of the many factors which combined to help her make a rapid and successful recovery, but she is pleased with the outcome. The same day another Mrs. Jones is admitted.

SIX-YEAR TEST

After six years on a Westbury, Long Island, N.Y. home, stainless steel roof gutters and downspouts were found to be completely unaffected by the salt-water atmosphere.

Selling Quality Power Mowers Is Our Business

For more than 5 years our policy has been to sell only the best. We've looked at many different brands of power mowers, but our first choice is Jacobsen. Here's one reason why...

The Jacobsen HI-TORQUE ENGINE

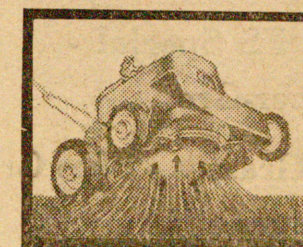

Feature
For Feature
The
Finest!

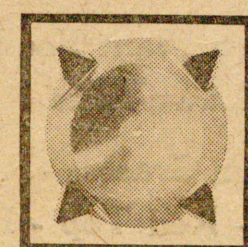

Designed and built by Jacobsen exclusively for Jacobsen Power Mowers. No other power mower engine has been built to equal its record of performance, efficiency and long life. Here are the facts and the reasons why Jacobsen H-Torque Engines are tops:

- Easier, Faster Starting
- Longer Life
- Smoother Operation
- Less Upkeep
- Quieter Performance
- Positive Lubrication

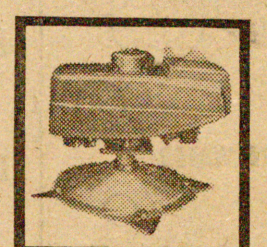

Jacobsen ROTARY MOWER FEATURES

The exclusive Jacobsen TURBO-CUT Suction Lift Disc sets up the grass or creeping weed stems, cutting smoothly and cleanly. At the same time, clippings are powerfully discharged by the "blower" pressure of the Suction Lift Disc.

The disc has 4 reversible and replaceable blades, provides twice the cutting action of ordinary bar type cutters. The blades will "give" when hitting a solid object, and the disc cannot jam.

The disc is close-coupled to the engine with only 7/8-inch crankshaft extension from outer bearing to the disc. Jacobsen engine crankshafts have a one-year warranty against bending.

Get the facts before you buy! You can't afford a cheaply constructed mower. Stop by and our men will show you how Jacobsen is built better. 24 reel and rotary type models to choose from—\$74.50 up.

USED POWER MOWERS — FROM \$5.00 UP

On Second Thot

by Glenn F. Logan
Has anybody here seen Kel-ly?

—
Has anybody here seen Schultz yet, Shapiro maybe, or Brown? Has anybody here seen anyone or has everyone been in too much of a hurry to look

?
the right or to the left of that straight alleyway along which most of us are hurtling at break-neck speed?
Just why we are in such a hurry is not clear. But most of us are in a great rush. Rush to work; rush to lunch; rush to work; rush home; rush thru dinner. Going

out? Well, don't dawdle. Let's get going so we can rush back home again.

—
Need cigarettes? Aspirin? May be the store is two blocks away but it won't take long to get there if one hurries. So jump in the car and away we go. Gun it or the light may change. Oh, it did change but that's alright, we got thru on the amber...oh, well, there may have been just a touch of red light but no harm done. That guy in the car waiting for the light to change had started up but wasn't going fast so he could stop. It is a wonder tho he hadn't stayed put until we got by. He certainly must have been in a rush to start up when he could see us coming. We drive up to 40 miles an hour for half a block and then have to hurry and slam on the brakes because we have reached the store.

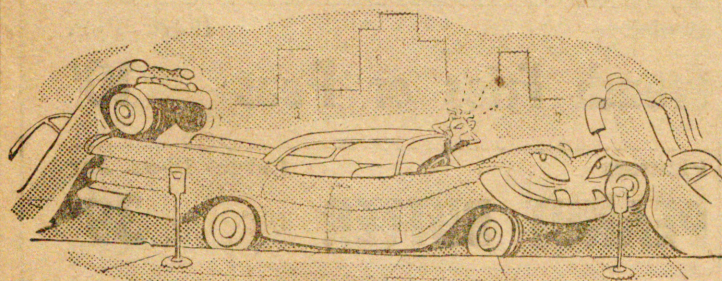

It seems that the only place a person can slow down and take it easy anymore is on his job.

Everybody has gotten into the act. The automobile makers keep adding speed to cars,

Good Luck Camp Royal Neighbors Will Meet Today

By Elizabeth B. Anderson
Lockport 836W2

The Good Luck camp of Royal Neighbors will meet in Homer church recreation rooms Thursday afternoon, April 16, with Mesdames Anna White, Mary White, Shirley Lemmon and Hazel Mohr as hostesses. Mr. and Mrs. John Garbrand and children were Easter dinner guests of her parents, the Reed Burch's. It was a double celebration of Easter and Mrs. Garbrand's birthday on March 30.

Many Homer people attended Sunrise services at Palos Community Foundation and then returned to Homer church for the pancake and sausage breakfast served by the Couples club of the church.

Every one declared that the cooks did a wonderful job. Otto Moravec presided at the pancake griddle. The breakfast drew more than 60 people. At the 10:45 am. service, the church was crowded. Choir and minister were impressive. Faye Rodgers, Susanne and Edna Burcham assisted in the service. There was appropriate organ music by Betty Anderson as the congregation assembled.

This week the Hanson family are moving to Topeka, Kas. and Mr. and Mrs. Elvig are coming into the Homer parsonage, from Wheaton. Stewart Reiter was home from Urbana for the Easter vacation.

Mr. and Mrs. Dale Keeler and baby daughter of Chicago were Easter guests in the Hanson home.

Frank Townsend is spending a short vacation fishing in Arkansas.

Mrs. Mary Konow spent the weekend with her sister in law Mrs. Minnie Hilbert in Niles, Mich.

Several Homer ladies attended the spring breakfast at Marley church on Wednesday morning.

Mrs. Bruce Anderson is serving on jury in Joliet for a two week period.

Mrs. Lawrence Bokoski has been hospitalized at St. Joseph's hospital for the past two weeks. She has returned to her home on 159th st.

Mrs. Otto Konow Jr. and children have been staying in the Bokoski home during her sister's illness.

Charles Dale Sr. is seriously ill in Silver Cross hospital. Mrs. Charles Dale Jr. is staying with Mrs. Dale Sr. for a few days.

Among the sick folk during the past week have been Mrs. Robert Shepherd Jr., Mrs. Robert Burch, the Frank Kolar and Roger Myers families, and the Joe Warrens.

Mrs. Marie Ott of Lockport, daughter of Mr. and Mrs. C. G. Rowley of here, underwent major surgery at Silver Cross hospital last Monday. She is recuperating nicely. The infant son of Rev. and

JOINT INSTALLATION ceremonies were held Sunday at the Bremen Post 2781 of the Veterans of Foreign Wars and its Ladies Auxiliary, at Tinley Park. The new and retiring officers are pictured, left to right, Stephen Rourke, 6560 Riverside drive,

new commander; Mrs. William Houle, 6649 Ravinia drive, new president of Ladies Auxiliary; Mrs. M. S. Morrison, 16809 Maple Lane, retiring president; and Robert Enzenbacher, retiring commander.

Mrs. Elvig died in a Wheaton hospital Monday of last week. Mr. and Mrs. Donald Aspel are the happy parents of a daughter, born at Silver Cross hospital March 30.

James John Mark arrived at a Chicago Heights hospital on March 31. He is the brother of Marcia, Billy and Connie, children of the John Mark family of Cedar road.

Richard W. Harpham of Lockport is building a 6-room, brick veneer home on King rd. near Long Run in Homer twp. and William M. Gilson will erect a 5 room brick home 1/2 mile north of Rt. 7 on Gougar road.

Mrs. Robert Doak of Joliet was a guest of the Kings Daughters at the meeting Thursday. Mrs. E. A. Cary gave an account of the improvements being made at Hannah Harwood Girls' club for the sake of better fire protection; plans were shown to donate to the linen shower at Silver Cross hospital in May. The May meeting of the Circle will be held in the home of Mrs. Cary in Joliet. A plant and food sale will be a feature.

Officers of the Barnet cemetery met in the home of Mrs. L. E. Storm last Friday evening. They decided to omit the Memorial Day program at the cemetery this year. Several business matters were also taken care of.

Mr. and Mrs. Robert Burch were guests at a family dinner at the Clarence Rowley home in Plainfield Easter Sunday. Other visitors included Mr. and Mrs. Wm. J. O'Donnell and daughters, Deborah

neighbors of Mr. and Mrs. Hoshier. Mr. and Mrs. Emmons and their five children are neighbors of the Bradshaw and Manos families.

Mrs. Al Karre and Mrs. Robert Anderson attended a meeting of the Ladies Aid Society of the Christ Lutheran Church Thursday afternoon. Twenty members attended, each bringing a covered dish for the pot luck luncheon. The luncheon was in honor of birthdays celebrated for the three month period from January to March. (It would be interesting to have a pot luck luncheon in Laguna this summer on one of the patios and as the ladies of the church did keep the covered dishes they brought a secret until they were on the tables.)

The luncheon was lovely, beautiful jello molds, festive

casserole dishes of noodles and tuna, chicken casseroles, ground beef and elbow macaroni, German potato salad, cold potato salad, home made bread, sliced ham, apple pie, coffee cake, puddings, chocolate cakes and of course, coffee. The luncheon over, the ladies had their meeting in the Sunday school building.

* Mrs. Henry Anderson's mother, Mrs. Arthur Little, is in Billings hospital. Mrs. Little's sister, Mrs. Harvey Vinci, and her 15 year old daughter Diane, of Toronto, Canada spent the Easter week with the Henry Andersons. Mr. and Mrs. Richard Little and children Mary Jo and Arthur were also guests on Easter Sunday.

A committee meeting was

held at the home of Mrs. Fred Diekmann, Thursday evening to make hats, jewelry, etc., for the makeup department booth at the PTA Fun Nite. The ladies who attended were Mes. G. Brown, M. Hegyi, A. Karre and Mrs. Yager of 82nd ave.

The Orland Park PTA Fun

Night Saturday at the school

was a huge success. The fa-

ther-son basketball game was

won by the son's team aided

by faculty members.

The Carl Sandburg band

played and everyone enjoyed

the music as well as the fun

at the game.

The school had a carnival

atmosphere all evening and

more so with the work of the

makeup department. The ladies, Mrs. Diekmann, Hegyi, Karre and Brown made up many of the children's faces to resemble French dolls, including one of the boys from the 7th grade, also clowns and Indians.

Tuesday afternoon the 7th, 8th grade dinner dance committee met at the home of Mrs. Kettler in Orland Park to discuss plans for the Spring Hop. Mrs. Roy Benson, Orland Park, and Mrs. J. Nelson and Mrs. R. Anderson of Laguna Woods are on the committee.

U. S. commercial fishermen landed a record, \$380-million catch in 1958.
